NO. 287—SEVENTY-FOURTH YEAR VICTORIA, BRITISH COLUMBIA, FRIDAY, NOVEMBER 11, 1932 SIXTEEN PAGES

THOUSAND KNOWN DEAD IN CUBAN STORM

ENDEAVOR TO MAKE DESIRED END REALITY

British Government Makes Announcement on Eve of Armistice Day
GERMAN RIGHT TO PARITY RECOGNIZED

LONDON, Nov. 10 (CP).—We are endeavoring to translate into practical form the overwhelming desire and passionate hope of the British people to make disarmament an accomplished fact.
To a world perplexed with the assertions and reassertions of various powers concerning the vital question of disarmament, whose efforts towards that end have thus far met with small success, Sir John Simon made the foregoing statement in a speech in a crowded House of Commons this evening.
FAVOR FAIR MEETING
It was significant that the British Government chose, through its Foreign Secretary, to announce its attitude to the disarmament problem on the eve of Armistice Day. "A fair meeting of Germany's claims on the principle of equality" was favored by Sir John, who pleaded that "the European states should join in a solemn affirmation that they will not in any circumstances attempt to resolve any present or future differences by resort to force."
Recognition of the right to parity in arms would entail on Germany, along with others, the acceptance of this corresponding obligation of an assurance of peace. Sir John Simon recognized the fact that the arms limitations imposed on Germany by the Treaty of Versailles were to be preliminary to a general limitation of arms. It was not the desire of other countries to inflict permanent inferiority upon Germany, but the hesitancy to change the Versailles Treaty restrictions was from anxiety as to the developments that might arise from the resulting situation, with the possible disturbing of the tranquillity of Europe.

Heroes Live, in Long Remembrance

Automatic Signals Of Stolen Lamp Aid In Capture of Thief

Excellent Acting of Lady Owner Also Contributes to the Arrest and Sentencing of Her None Too Honest Neighbor

VANCOUVER, Nov. 10 (CP).—"The strange case of the flickering lamp" has been solved and Patrick Duff has been sentenced to eighteen months in jail, all through the ability of Mrs. H. M. Morphy to do a good old-fashioned fainting act.
A burglar entered Mrs. Morphy's home and took a large number of articles, including an ornamental lamp which had a flicker owing to a loose connection.
Mrs. Morphy suspected that the burglar lived nearby. Lacking other clue, she suggested that she would knock the lamp by its flicker if she should sight it within the neighborhood. So with Detective H. Morrison and W. Cruickshank, she walked around the district until, sure enough, a sudden flicker was noticed within a house.
"Just like my lamp," she said. But it would not do to obtain a search warrant on such slim evidence.
Mrs. Morphy must examine the lamp to identify it first, and a subterfuge was decided upon.
Mrs. Morphy "fainted."
Detective Morrison rushed to the door of the house, knocked, and to the woman who responded, said excitedly:
"A woman has fainted on the street. May I carry her in?"
Permission was given and the woman, willing to assist, left the room where stood the lamp, to bring water.
Mrs. Morphy sat up. "It is my lamp," she declared.
Other articles of hers might be found in the house, the detectives excitedly.

MISSIONARIES PROBABLY LOST

Not Mentioned Among Survivors of Motorship Sunk on Maiden Voyage

SUVA, Fiji Islands, Nov. 11, Friday (CP).—Four officers, three engineers and the crew of fifteen Solomanders from the Mx. Southern Cross VI, which sank off the island of Aleitutu during the weekend, today were reported to have reached shore on a coral reef.
All were said to have suffered severe injuries during their struggle to land through huge waves. No mention was made of the fate of two Anglican missionaries known to have left the 140-foot motorship when she went down.
It was presumed both clergymen were still missing. One of them was identified as Rev. R. de Vell, a former London curate, but the name of the other was not known here.
The Southern Cross, a craft of only 220 tons displacement, sank during a storm. Her officers, crew and the two missionaries, were said to have reached a small unnamed island and to have left it Monday for the island of Viti, aboard a small launch.
For four days the launch and the men had been missing and hope was beginning to wane for their safety when news of their appearance reached this port.
The Southern Cross VI, a virtual floating church, was on her maiden voyage from London and was designed for use throughout the islands which form the Anglican diocese of Melanesia.
Some hope was held out that the missing men might be sighted and picked up by one of the ships plying between the islands.

Proposal for Reform in House of Lords Studied

LONDON, Nov. 10 (CP).—An official joint committee of Conservative Peers and Members of the House of Commons, tonight drafted proposals for reformation of the House of Lords, which included reduction of the membership from 750 to 350.
The proposals included a scheme for the election of members to the Upper House partly by peers and partly by members of county and borough councils, provision of seats for women, and allotment of incomes amounting to \$500 a year for labor members.
Under the scheme any bill other than a money bill vetoed by an absolute majority in the House of Lords, would not be resubmitted by the House of Commons until after a general election.
Peers not elected to the House of Lords would be eligible as candidates for the House of Commons.

His Majesty May Lay Wreath Today

LONDON, Nov. 10 (AP).—Tomorrow morning the 800,000 sons of the British Isles who died in the war will be remembered at an impressive service in Westminster Abbey, ancient tomb of many of the nation's great, and at a solemn ceremony at the Cenotaph, the national memorial to the war dead.
At the Cenotaph, the King, weather permitting, will lay a wreath, symbolizing the nation's grief.

MAN BEATEN AND ROBBED

Murray Planta Attacked by Bandits and Left Unconscious at Nanaimo

NANAIMO, Nov. 10 (CP).—Murray A. E. Planta, son of Senator A. E. Planta, was beaten into insensibility in his office on Commercial Street, where he was later found by Night Patrolman Jerry McGill. He was attacked by a lone bandit who slugged him and then robbed him of his wallet containing \$120 and his watch.
Mr. Planta went to his office, where he manages the large financial business of his father, about 9:30 p.m., to do some work. He opened the door and went down into the basement to fix the furnace fire. As he was coming up the stairs he was confronted by the bandit.
Before he could offer any defense, or protect himself, he was struck over the head by a sandbag or heavy instrument, and fell insensible down the stairway.
He lay unconscious on the basement floor for some time, and was found there by Patrolman McGill, who, on finding the door of the office open investigated to find Mr. Planta.
The officer called the provincial police and gave first aid to the injured man, who regained consciousness. It is not expected that his injuries will prove to be serious.

Storms in Italy Fatal To Sixteen

REGGIO DI CALABRIA, Italy, Nov. 10 (AP).—Sixteen persons were known to have been killed in the Province of Reggio di Calabria as a result of storms which swept the toe of the Italian peninsula.
Most of the victims were caught in the collapse of houses undermined by heavy rains and flood waters. Nine of the dead were in the village of Grotteria and seven in Mamonto.
Heavy storms also were reported in other regions of Italy. There was considerable crop damage.

Two Bold Bandits Rob Butcher Boy

VANCOUVER, Nov. 10 (CP).—Harry Eckerson, a messenger boy employed by the Sterling Meat Market, Nanaimo Street and First Avenue, was set upon by two men at Kaslo and Gravelly Streets shortly before 6 o'clock tonight and robbed of \$5.
J. B. Rutledge, 38, Smith Road, Lulu Island, salesman, while canvassing on the island late this afternoon, was slugged by a man he met on the road, who relieved him of \$40.

Remembrance

By LIEUT.-COLONEL R. ROSS NAPIER, V.D.
(When the Canadians were in the neighborhood of Mons in November, 1918, the solitary grave of one of the original Expeditionary Force was discovered. It was marked by a trench shovel, on which, after four years of war, the words were still decipherable, "Stranded. I wait the tide's return.")
"One with the dust, beneath an alien sky.
For me no cenotaph, no storied urn:
The tide of battle left me where I lie.
Stranded—alone—I wait the tide's return."
"The flash of distant guns that rend the night,
In crimson marks the ebb-tide's gathering crest.
The flow will come, that in its red-dened might,
Shall cover me. Till then I may not rest."
The flood-tide labored, and the dawning day
Broke, when the night of doubt and fear was past:
The blood-red torrent reached him where he lay:
Passed over him.
Perchance, he sleeps at last.
Forget them not, for whom no tide returns,
Who still must do their daily drudgery of pain,
For whom the star of hope no longer burns,
Who hearken for the sunset gun—in vain.
Theirs is the harder task, who fought and bled,
Who paid the tribute it was theirs to give.
This day do honor to our glorious dead:
Throughout the years, remember those who live.

Death List Growing As Reports Pour in From Stricken Area

Only 300 Persons Escape Being Killed or Injured in Populous Town—Thousands of Houses Destroyed and Plantations Levelled—Wall of Water Driven Inland for Fifteen Miles

Worst Hurricane in History of Island Devastated Wide Region

CAMAGUEY, Cuba, Nov. 10 (AP).—More than 1,000 persons were known to have been killed, police said tonight, by the heavy storm which swept over Southern Cuba yesterday. The entire Province of Camaguey lay in waste tonight and the town of Santa Cruz del Sur, on the south coast of Camaguey Province, was annihilated.
Police described the disaster as the greatest in Cuban history. Hundreds of injured were being cared for in improvised hospitals, and as trains came in from the province bearing the injured it was estimated the total death toll might reach 1,800.
Three trainloads of injured reached Camaguey from Santa Cruz del Sur tonight. A dozen doctors and medical supplies were dispatched to the stricken town this afternoon.

TERRIBLE DESTRUCTION

Mayor Umberto Rodriguez, of Camaguey, told the Associated Press tonight that his information from Santa Cruz was that 1,500 were dead and that only 300 persons in the town escaped unscathed. The mayor said a twenty-foot wall of water was driven five leagues inland by the terrific wind, and that not a single house was standing in Santa Cruz.

One survivor brought in by train said many persons were washed into the sea. Various estimates of the number killed were given by survivors. They varied from 300 to more than 1,000.
Vast cane fields were laid flat as though brushed by a giant hand. Banana plants were laid down in geometrical rows. Forests of royal palms were halved and uprooted by the roots in Camaguey Province. Trees were converted into brushwood.

Thirty Injured In German Fight

CHEMNITZ, Germany, Nov. 10 (AP).—Thirty persons were injured, six seriously, today in an encounter between Communists and National Socialists.

Taxation Principle Involved in Appeal Before Courts Here

Bishop of Victoria and St. Louis College Named Appellants in Claim for Reduction of Assessment—Method of Valuation Is Attacked

ONE of the dominant factors that form the basis of assessment for municipal taxation is being attacked in the Supreme Court of British Columbia here through an appeal from a decision of the Victoria Court of Revision fixing the taxable value of St. Louis College, operated by the Christian Brothers on Pandora Avenue, at \$50,000.
Hearing of the appeal opened before Mr. Justice D. A. McDonald in chambers at the Bastion Street Courthouse yesterday morning. Hearing of evidence of both sides was completed and adjournment taken until Monday afternoon at 2 o'clock for argument by counsel.

HON. A. HAYDON DIES AT HOME

Senator Succumbs After Long Illness Following Sudden Breakdown

OTTAWA, Nov. 10. — Senator Andrew Haydon died at his home here this morning after a lengthy illness. He was sixty-five years of age.
For more than two years Senator Haydon had been in ill health. His rugged constitution broke down shortly after the 1930 general elections, when he was director of the National Liberal organization. He had been confined to his home almost from the time illness overtook him.
Heart trouble kept him from leaving his house and in the latter months from leaving his bed. During the Commons investigation into the Beuharnois power project in 1931, Senator Haydon was too ill to appear on Parliament Hill. However, last Winter, when the Senate also conducted its inquiry into the same subject, members of the committee took his evidence at his bedside, and he defended his connection with that project with characteristic clarity.
Senator Haydon had a kindly, engaging personality that made him well liked by political opponents and beloved by his friends. He seldom made public speeches, but when he did they showed a breadth of culture and a comprehensive grasp of public affairs. His high position in the councils of the Liberal party was due to his great wisdom displayed in directing party conflicts and his power to gauge public opinion.

British Note on Debt Due Delivered in Washington

LONDON, Nov. 10 (AP).—It was learned here that a British note on the subject of debt payment due the United States, late after 15, was delivered to Secretary of State Stimson, in Washington, today, by the British ambassador.
The contents of the note will be kept secret here until the Government is informed of Secretary Stimson's views on whether it should be made public.
The British Press Association lobby correspondent said that the fact the British Government acted so promptly upon completion of the election in the United States suggested that informal conversations, which are known to have taken place in recent months, had thoroughly prepared the way for the approach.

SOLDIER DEAD TO BE HONORED

Appropriate Services Will Be Held at the Cenotaph This Morning

In respect to the memory of the men who gave their lives in the titanic struggle of nations from 1914 to 1918, citizens of Victoria will today congregate at the Cenotaph at Parliament Square for divine service.
Today is Remembrance Day, the anniversary of the signing of the armistice on November 11, 1918, and appropriate services have been arranged for the occasion.

ORDER OF SERVICE

At 10:45 o'clock His Honor the Lieutenant-Governor will arrive at the Cenotaph and will take the royal salute. At 11:59 a bugler will sound the "Last Post," and at 11 o'clock a gun will be fired to note the commencement of the two minutes of silence in memory of fallen soldiers. At the conclusion of the period of silence a bugler will sound "Reveille," after which divine service will commence.
The hymn "O God, Our Help in Ages Past" will be sung by a choir, accompanied by the band of the Canadian Scottish Regiment. Prayers will then be offered by Major William Barton, V.D., chaplain of the Fifth B.C. Coast Brigade of the Canadian Artillery, who will

Soldiers Ordered to Stand By to Prevent New Riots in Geneva

Proclamation Forbids Gatherings in Public Places
—May Call General Strike of Protest Throughout Switzerland—President Justifies Action

GENEVA, Nov. 10 (AP).—About 1,500 troops of the National Army and Militia were ordered to stand ready today for possible recurrence of rioting which last night caused at least eleven deaths in this international "peace" capital. The Government also issued a proclamation forbidding assemblies in public places and calling on citizens to assist authorities in maintaining order.

Young troops called on by the National Army and Militia were ordered to stand ready today for possible recurrence of rioting which last night caused at least eleven deaths in this international "peace" capital. The Government also issued a proclamation forbidding assemblies in public places and calling on citizens to assist authorities in maintaining order.

Beneficial Results Looked For by Deputy Minister

VANCOUVER, Nov. 10 (CP).—On his annual visit to the Pacific Coast, Dr. W. A. Found, deputy minister of fisheries, is in Vancouver today. He will leave for Seattle on Friday, and on Saturday attend a session of the International Fisheries Commission there.

The commission has been studying conditions in the fishing industry in both countries since 1924, particularly in relation to halibut and salmon, and Dr. Found anticipates some beneficial results from its work.

He will go directly to Prince Rupert from Seattle to meet the fishermen there on November 21. Later he will return here for conferences with fishermen's representatives.

Dr. Found had been at fault in not finding that the value should be ascertained by capitalizing the net rental which, in case of owner or occupier, should be the interest on cost of construction, less the taxes, insurance and repairs capitalized.

The evidence submitted at the hearing yesterday was of an expert nature, with proper care, would have been shown to a bedroom, and again the woman of the house disappeared.

Mrs. Morphy recovered a second time, and a quick examination revealed that some of the bedding was hers.

Questioning the woman of the house led to the fact that Patrick Duff, who, once in custody, assisted police to recover other stolen property.

W. A. Found was the contractor who built St. Louis College, costing over \$50,000. He said it was of a very expensive type of building which, with proper care, would have been shown to a bedroom, and again the woman of the house disappeared.

WILL EXPLAIN GOV'T ACTION

Premier Bennett Says Aid Was Given for Purchase of Wheat

OTTAWA, Nov. 10 (CP).—A statement will be made by Premier R. B. Bennett in the House of Commons next Monday as to what the attitude of the Dominion Government has been in relation to the wheat market. When the price of wheat broke some weeks ago, the rumor was spread that the Government had been previously supporting the market. The Prime Minister explained today in the House that the Government had not itself purchased grain, but did assist "one of the enterprises that is owned by the people of Western Canada to do so, for reasons that I shall indicate Monday."

The question of whether Canadian wheat stored in United States elevators and then shipped to the United Kingdom would get the six-cent-a-bushel preference was under discussion. The reply was along the lines previously given, that wheat consigned from Canada to United Kingdom port would get the preference whether it went through Canada or the United States.

ATTENTION DIVERTED
WINNIPEG, Nov. 10 (CP).—From proposals for a nation-wide farm strike in the Spring of 1933, if agriculturalists are not relieved of many present-day burdens, attention turned tonight to Ottawa.

The statement made in the House of Commons by Premier R. B. Bennett drew the attention of agriculturalists and grain trade authorities. It confirmed rumors of Government stabilization efforts on the Winnipeg Grain Exchange, and the other, in the minds of grain and shipping authorities, failed to clear the doubt that has existed as to the shipment of Canadian grain to the United Kingdom.

In the Commons today Premier Bennett declared the Government had not purchased wheat to stabilize the market, but had assisted one Western organization to do so.

POOL IS AGENCY
It is general knowledge on the Grain Exchange among the many traders, that the Canadian Co-operative Wheat Producers Limited, the central selling agency for the wheat of the Western provinces, is the agency mentioned by the Premier.

Granted funds by the Dominion Government, John I. McFarland, general manager of the Co-operative Wheat Producers Limited, said he is attributed to be the man behind the stabilization scheme and the purchase of large quantities of wheat in the local port.

Pool authorities tonight refused comment, preferring to await a further announcement from Ottawa on Monday.

MILK ACT IS ULTRA VIRES

Continued from Page 1
ment declined to discuss rumors of threatened suit against the committee of direction at the instigation of certain independent milk producers in the Mainland. The whole affair, it was stated, is up to the committee of direction.

This committee, as reappointed this year, consists of Charles A. Welch (chairman), and A. H. Mercer, both resident on the Mainland. Independent producers had no direct representative on the panel, at their own election.

FUNDS IN HAND
The committee is believed to have had funds in hand to the extent of some \$10,000 as at June last, but no statement as to the state of the funds at the present time could be secured.

The Government made it clear that it will not initiate any move at present towards the replacement of the Act, though it will remain open to any suggestions that may be laid before it by the representatives of those most affected, between now and the session.

JUDGMENT UPHOLD
VICTORIA, Nov. 10. British Columbia's Dairy Products Sales Adjustment Act was held today by the judicial committee of the Privy Council to be ultra vires.

By the highest judicial tribunal upheld judgments of the trial judge, Mr. Justice Murphy, and of the Province's Court of Appeal.

Lower Mainland Dairy Products Sales Adjustment Committee's appeal has been dismissed by the Privy Council. There was no order as to costs, in accordance with a prior arrangement between the parties.

The appellants committee claimed a mandamus to compel Crystal Dairy Ltd., 1802 Commercial Street, to make monthly returns under the statute.

It was a test case. Mr. Justice Murphy delivered his judgment on September 26, 1931, and the Court of Appeal on January 5, 1932.

Lord Tankerton, pronouncing the decision of the judicial committee, stated that the statute was outside the legislative competence of the province.

The act set up a sales adjustment committee which was empowered to compel dairymen, who enjoyed the fluid milk market, to make returns of their sales, and to levy upon the gross proceeds of these sales a sum sufficient to compensate dairymen who otherwise disposed of their milk at lower prices. The committee was authorized to make levies to defray the expenses of the act. It has been held that the impôts, so authorized, are indirect taxes.

INDIRECT TAXES
It was pointed out by Lord Tankerton that levies on milk producers were intended to relieve congestion in the fluid milk market. In the view of the Privy Council, the levies were taxes, and not further indirect taxes. The fact that money, so recovered, was distributed as a bonus among dealers in manufactured products, did not, in their lordships' opinion, affect the taxing character of the levies. In addition, the Privy Council held that levies, ancillary to adjustments and imposed to defray the committee's expenses, were indirect taxes and therefore ultra vires. The

Senator Succumbs to Lengthy Illness

SEN. ANDREW HAYDON who died in Ottawa yesterday after years of illness.

Two principal grounds urged for improving the legislation were given effect to by the Privy Council, as they had been given effect to in the courts below.

Mon. R. L. Mallard, K.C., was counsel for the appellants sales adjustment committee before the Privy Council. Mr. G. McQuarrie, K.C., was counsel with him in the courts below. J. W. deB. Farris, K.C., was counsel for the respondents, Crystal Dairy.

COSTS FOR PLAINTIFF
In refusing a mandamus against Crystal Dairy Ltd., Mr. Justice Murphy dismissed the action of plaintiffs, Lower Mainland Dairy Products Sales Adjustment Committee with costs. This judgment was affirmed on appeal.

The Dairy Products Sales Adjustment Act, passed originally in 1929, and later amended, was enacted to equalize the returns of dairy farmers selling in the fluid milk market and in the manufactured market. It was intended to relieve congestion of the fluid milk market and eliminate loss to dairymen who sold their surplus outside this market.

The committee, established by the act, was empowered to compel dairymen who enjoyed the fluid milk market to make returns of their sales and to levy upon the gross proceeds of these sales a sum sufficient to compensate the producers who otherwise disposed of their milk at lower prices, so as to bring their respective gross earnings up to the level of those enjoying the fluid milk market.

EQUALIZED EARNINGS
The courts view this as an attempt to tax one class and give to another, so as to equalize earnings and prevent congestion of the fluid milk market. The tendency to take money from dairymen, however small, would be to induce them to pass the burden of the tax to the consumer, it was said during consideration of the levies. This was the basis for holding the levies to be indirect taxes.

The scheme of the act was summarized by Mr. Justice A. Macdonald, of the Court of Appeal. "Local conditions over a number of years revealed that at all times there was an over-supply of milk and cream in fluid form because of a restricted local market," he explained. "The unobtainable surplus was converted into manufactured products (butter, condensed milk, cheese, etc.) and sold at world market prices for less than obtained for milk and cream in fluid form. Increased sales in the manufactured market would lessen congestion in the local fluid market to the advantage of all engaged in the dairying industry. Because of the probable returns the tendency of all before the act was passed was to sell milk and cream in fluid form. To promote, therefore, the common interest this legislation was passed to permit adjustments to be made so that the producers of fluid milk and of manufactured products would share equally in returns."

METHOD C' PROCEDURE
The committee of adjustment was authorized to ascertain monthly the standard price of milk and manufactured products sold in the local area over which it had jurisdiction, and spread the difference in total value between the two sums realized over the whole body of farmers within the district. It had power to compel any dairy farmer to pay to it his proportion of the difference in value and to apportion and pay to other farmers a share of the contribution so obtained in order that returns received by all would be practically equalized.

About 75 per cent of the dairy farmers are on the receiving end, in respect to the adjustment, and 25 per cent, on the paying end, it was disclosed during the hearing in court here. In other words, 25 per cent are marketing all their milk on the fluid milk market, while 75 per cent market a portion of their milk as manufactured products.

DEATH CALLS PROPHET OF GREAT DISASTERS
NEW YORK, Nov. 10 (AP).—Evangeline Adams, the astrologer who claimed to have predicted the death of King Edward of England and the disastrous Hotel Windsor fire in New York, died today of heart disease.

Miss Adams, who in private life was Mrs. George E. Jordan, Jr., had been ill about a week. She was born in Jersey City, a descendant of John Quincy Adams.

TOOK IT TO HEART
DEXTER, Maine, Nov. 10 (AP).—Declaring himself dissatisfied with the outcome of the United States presidential election, Forrest Spaulding, thirty-seven, of Dexter, committed suicide here today by shooting himself through the stomach with a rifle.

STORM HITS EAST COAST

Great Havoc Done Along Atlantic Coast—Homes Blown Into Sea

NEW YORK, Nov. 10 (AP).—New York, New Jersey and New England were whipped today by a northeast wind that reached gale proportions in some places. In addition to heavy damage by the wind, a steady rain and exceptionally high tide brought further havoc to communities along the coast.

Many families were marooned and others were rescued by men using rowboats in the states.

FAMILIES MAROONED
In the broad channel community on Long Island, struck by a freak storm only a few weeks ago, 200 families were marooned and six occupied bungalows were blown into Jamaica Bay.

On Staten Island twenty-eight families were rescued by rowboat from their flooded homes at Midland and Woodland.

SCHOOLS SUSPENDED
Of the New England States, Connecticut and Massachusetts were hit the hardest. Boston schools were suspended for the day and shipping was stopped.

Five cottages were swept out to sea and six others destroyed at Westerly, R.I., and at Charlestown, R.I., fifteen other cottages were wrecked, some of them being swept out to sea.

FARMER CRUSHED
When Load Falls
MEDICINE HAT, Alta., Nov. 10 (CP).—Edward Heine, farmer of the Cypress Hills district, near here, was fatally crushed yesterday when a wagon load of timber fell on him. The farmer was walking beside the wagon on a bad stretch of road when the load toppled on him.

GUARD'S SON MISSING
NEW WESTMINSTER, Nov. 10.—Robert Millman, sixteen, son of J. Millman, guard at Oakalla Prison, has been missing from his home, Fourth Street, since November 2. He is described as six feet in height, medium build, and his attire including a new black leather jacket, black corduroy trousers and new high laced boots.

MANCHURIA IS PART OF CHINA

Chinese Consul Makes Plea for Sovereignty Over Disputed Territory

The Chinese side of the Manchurian question was presented to the members of the Rotary Club at yesterday's luncheon, when Hsueh K. Chow, Consul for China at Vancouver, addressed the gathering. The speaker contended that Manchuria was an integral part of China, recognized as such by Great Britain and the United States. He expressed the desire of China to live at peace with the whole world.

"I appreciate the honor of being asked to address the Rotary Club, an organization international in scope, having for its aim the promotion of friendship between the nations of the world," said the speaker. "As a representative of a nation of 400 million people bordering on the Pacific, I assure you of my desire to maintain the friendly relations existing between China and Canada."

"Historically, geographically and racially, Manchuria was an integral part of China from time immemorial. Manchuria is better known as 'The Three Eastern Provinces.' It is a large fertile area with enormous possibilities of economic development. An idea of its size may be gained by the fact that it is somewhat greater than France and Germany combined. From the name usually given to these Chinese provinces collectively, it has been sometimes mistakenly assumed that they are the land of the Manchus, who are said to be in no way allied to the rest of the Chinese by blood. The truth is that China is made up of five races, of which the Manchus are one. Moreover, the population of Manchuria today is strictly and overwhelmingly Chinese."

RECOGNITION BY POWERS

That Manchuria is territorially and administratively an integral part of China has repeatedly been recognized by the international circle in all treaties bearing upon the subject, notably that entered into by the powers at the Washington Conference in 1921-22. Sir Austen Chamberlain, the British Foreign Secretary, in reply to a question in the House of Commons, on July 13, 1928, declared that Great Britain considered Manchuria as part of China. Mr. Kellogg, the American Secretary of State, in a statement to the press on May 21, 1928, said that, so far as the United States of America was concerned, Manchuria was essentially Chinese soil. The Lytton report, recently made public, confirms Chinese sovereignty over that area, and condemns the military action taken by the Japanese without provocation.

"Without launching any complaint to the Chinese Government, the Japanese attacked Mukden, on September 18, 1931, and continued their military operations until the whole of Manchuria was taken. We were harassed last year by unprovoked floods and are still suffering from their damaging consequences. Under such circumstances we believe that the Japanese people, like the people of every other nation, would have shown us the greatest sympathy and given us, at least, moral help in our stupendous task of rehabilitation. That Japan should take advantage of China's internal difficulties to launch a prepared scheme of military aggression was, indeed, beyond human conjecture."

"Japan has now defied the whole world, the League of Nations, the Nine Power Treaty, the Paris Pact, the Anti-War Pact and, above all, public opinion."

Ontario's Lieutenant-Governor Takes Oath

DR. Herbert Bruce was formally sworn in on November 1 as Lieutenant-Governor of Ontario. The photograph above shows His Honor signing the register immediately after taking the oath of office. His wife is shown at the extreme left, and next to her are Mrs. W. H. Price and Colonel W. H. Price, Attorney-General. Premier Henry is standing immediately behind the new Lieutenant-Governor, and on the right of the picture is E. J. Lemire, deputy secretary of state, who swore in the King's representative in Ontario.

internal difficulties to launch a prepared scheme of military aggression was, indeed, beyond human conjecture. "Japan has now defied the whole world, the League of Nations, the Nine Power Treaty, the Paris Pact, the Anti-War Pact and, above all, public opinion."

VIOLATION OF TREATIES
"The recent recognition of the puppet government by Japan constitutes a flagrant violation of the Nine Power Treaty in which Japan promised the respect of the sovereignty, the independence, and the territorial and administrative integrity of China. It is a highly absurd assertion that the puppet organization created and supported by Japan herself achieved its independence through the spontaneous will of the Manchurians, and that the Nine Power Treaty does not forbid any separatist movement in China, or recognition by Japan of any new state formed as a result of such a movement."

"The whole world knows that in the 'Three Eastern Provinces' there has never been any separatist movement from within, but there has been an aggressive and imperialistic movement from without. It is the Japanese militarists who have translated their free will into action. The inhabitants will always remain loyal citizens of the Chinese Republic. Japanese troops once withdrawn, the bogus creation will at once collapse."

"China is confident that any reasonable proposal for the settlement of the present situation will be necessarily compatible with the letter and spirit of the Covenant of the League of Nations, the Anti-War Pact and the Nine Power Treaty, as well as with China's sovereign power and will also effectively secure everlasting peace in the Far East."

ANXIOUS FOR PEACE

"I wish to say very clearly and deliberately that, once this unhappy incident is settled and normal relations restored between China and Japan, the Japanese Government will find us not only willing but also anxious, to discuss every issue between the two countries in the most friendly spirit. China has but one desire—to live at peace with all countries, particularly so with her neighbors. In the words of Confucius are manifested the spirit of international amity among the Chinese. Confucius said, 'beyond the four seas we are brethren.'"

"The appreciation of citizens was expressed by Premier S. F. Timine, who referred to the tremendous possibilities of China with her ancient civilization and the resources which she possesses. Not the least of these was the thrift and ability of her people, who had shown these characteristics while living in this country. China had the sympathy of Great Britain and of the whole of North America in the troubles she was going through today, he stated."

"Mayor David Leeming also added his thanks to the speaker. He said that he felt that any settlement would have to be based on justice. It was being brought home now that the terms of the Treaty of Versailles could not be enforced because that treaty was not based on justice, but on force. The speaker was introduced by Alfred Carmichael."

CLAIMS DAMAGE TO CAR WHEN GOVERNOR COLLIDES WITH TRUCK

TACOMA, Wash., Nov. 10.—F. E. Fagan reported to the police department today that his automobile was hit and damaged when the car of Governor Roland H. Hartley hit a truck at a crossing yesterday afternoon.

Reports that two other cars had been damaged were not verified by police reports.

Governor Hartley himself had made no report on the accident and neither had the truck driver. The governor's car was overturned. Police said the governor waved them away from the scene of the wreck and told them that he was governor of the state and would handle the situation.

The police file says that Governor Hartley claimed he was alone in the car and that he was unhurt.

"Mother, is this a real vacation?" "Yes, dear."

"Then God isn't watching us any more, is He?"

NEW B.C. FIRMS INCORPORATED

Seven Provincial Concerns and One Spokane Company are Licensed

Seven British Columbia companies and one extra-provincial concern were licensed to do business in the province this week. The list is as follows:

Columbia Oil, Ltd. (N.P.L.), 100,000 shares of no par value, Vancouver.
Consolidated Holdings, Ltd., \$20,000, Vancouver.
Granbrook District Rod and Gun Club, under Societies Act, Granbrook.
Hiker Products, Ltd., \$25,000, Victoria.
Hi-Way Oil Company of B.C., Ltd., \$50,000, Vancouver.
Mechanical Dental Supplies, Ltd., \$10,000, Vancouver.
Red Lake and Criss Creek Farmers' Institute, under Societies Act, Red Lake.
Universal Timber Products, Ltd., \$10,000, Vancouver.
Vancouver Auction Mart, Ltd., \$10,000, Vancouver.
Red Triangle Coal Company, Ltd., was licensed as an extra-provincial concern, with head offices at Spokane, B.C. offices at Vancouver, and paid up capital of \$50,000.

CAVAL HAMILTON TO STAND TRIAL

Preliminary Hearing on Stolen Property Charge Is Held in Saanich Court

Caval Hamilton, of Keating, was committed for trial yesterday in Saanich police court on a charge of being in possession of stolen goods. Norman Simister, iron worker, testified that his electric drill, valued at \$78 when new, had disappeared on October 13. Detective Henry Jarvis testified that in company with Detective Pearson Woodburn an investigation had been carried out by him and the drill found in the Victoria Junk Company's store on Store Street on November 5.

Julius Painter, junk dealer, gave evidence to the effect that he had bought an electric drill from the accused at a store in the Keating district on October 22, and later had taken it to the Victoria Junk Company for disposal.

Joseph Marcotte told the court that he had seen Hamilton with an electric drill similar to the one recovered by city detectives. Chief of Police Allan Rankin testified that in company with Constable K. Cummings and Detective Henry Jarvis, he had arrested Hamilton on a charge of being in possession of stolen property.

Brahms' Requiem To Be Sung Today

Brahms' Requiem will again be sung at Christ Church Cathedral this evening, at 8 o'clock. This will be the second opportunity for Victorians to hear this sublime work, which is so peculiarly suitable for performance on such an occasion. It is not proposed to repeat the performance, at least for some years, as it is Stanley Bulley's intention to substitute other great works which are unknown in Victoria.

The solos will be sung by Mrs. Nora Bulley, Llewellyn Jones, Mr. Bulley will direct the choir and orchestra. Admission is free, but a generous collection is asked on behalf of the music fund.

MANY ATTEND FUNERAL
Funeral services were conducted on Thursday morning for Charlotte Alberta L. P. Pooley. Holy communion was celebrated at 8 o'clock and Mass of Requiem sung at 10:30. Interment was made at the Royal Oak Burial Park. Many friends attended the rites and beautiful floral offerings were received.

MAY PROTEST APPLICATION

C.N.R. Seeks Relief From Maintaining Safety Devices Along Railway

An application of a far reaching effect in so far as municipalities and cities are concerned will be made to the Railway Commission by the Canadian National Railways, it was learned at the City Hall yesterday.

A. R. MacLeod, solicitor for the C.N.R., yesterday informed the city that his company would apply to the Railway Commission for temporary relief from completing and maintaining fences, gates and cattle guards along its tracks in Victoria.

From the text of the letter it is indicated that similar action may be taken in connection with other districts through which the C.N.R. lines are laid.

The city will have an opportunity to protest against the application when the Railway Commission convenes here and it is expected that vigorous opposition will be made on the grounds that maintenance of fences, gates and cattle guards are essential to public safety and that such work is a necessary obligation upon the railroad.

OWNERS REDEEM TAX SALE LAND

Seventy-Five Parcels of City Property Return to Private Ownership

Since delinquent properties were placed on the tax sale list, which was opened last Monday, no less than seventy-five parcels of property have been redeemed by owners who have paid up their tax arrears, it was revealed at the City Hall yesterday.

There were 350 pieces of delin-

Red Cross Funds Nearly Exhausted, Says Speaker

Fred Landsberg, Provincial Treasurer for British Columbia, Makes Strong Appeal to Public to Remember Disabled Veterans

"Our funds are exhausted. If all of you don't contribute something—a large or small sum—we will not be able to go on serving those whom we have been helping in this province," Fred Landsberg, provincial treasurer of the British Columbia Red Cross, made this imperative appeal in the course of a broadcast last evening over CFCB.

He pointed out that there are more than 200 ex-soldiers in the Esmond Hospital. About half of this number are without pay or allowances, and depend on the Red Cross for those little comforts which make their lives endurable. The only friends many of them see are the Red Cross ladies who visit them regularly.

Mr. Landsberg asked that some consideration be given these men who had given of their best in service to their country, men now afflicted with some sickness or disease incurred during the war and confined to the hospital and receiving no help either by way of pension or otherwise; men who may be deprived of the bit of comfort and kindness rendered to them through the good offices of the Red Cross Society unless immediate support to the funds is forthcoming.

NEEDY SETTLERS. He also spoke of the settlers in the Peace River Block. About 8,500 persons are trying to make homes and a living in that part of the province. Many of them went in with very little, and because of the drought and the depression had nothing now. The Government looked after ordinary relief, but the Red Cross, through its outpost hospitals, as well as for nursing—care in sickness, accident and childbirth. Everyone agreed the nurses are doing splendid work up there—work that has saved the lives of scores of those people and has eased the sufferings of hundreds. This work also would have to end if help in the form of contributions to the Red Cross was not forthcoming.

One more accomplishment of the Red Cross Society was the Junior Red Cross Branch, now boasting a membership of 6,000, unselfish and

GOOD NEWS for MEN

The first fruits of the Ottawa Conference enables MYATT'S DAYMARK to be sold at
40c Per Pkt. or 2 for 75c
You Are Cordially Invited to Test Your Good Will for Your Empire's Cause

New Type of Rocket

Reinhold Tilling (Left), Noted German Engineer, Is Here Shown With His Odd-Looking Rocket Just Before It Went Sailing Into Space at Its First Trial Test at the Tempelhof Airport in Berlin.

to individual citizens and organizations showed a marked improvement in the last few days, and the committee expects that the number sold will exceed that of last year by the time the sale ends. The poppy store, 711 View Street, will be open this morning from 9 until 10 o'clock so that wreaths may be sold until the last moment prior to the memorial service.

EXPECT SMALL BALANCE. Yesterday's collection amounted to \$454, making the total street collection \$1,372. In addition, more than 200 wreaths were disposed of during the campaign, most of them during the past few days, and the committee is confident that there will be a small balance after all expenses are paid. Although the fund is not likely to benefit to any appreciable extent, the committee appreciates the generous manner in which the public responded to the appeal and which wiped out the deficit from Saturday's sale.

Poppy sellers will be on duty this morning for the convenience of those who have been unable to secure their poppies previously. The Community Cross will be stationed outside the Empress Hotel, and all citizens who wish to be associated with the community tribute, which will be dedicated by the chaplains and placed on the memorial during the service, are asked to secure their poppies from the sellers in charge of the cross and to pin them on not later than 10 o'clock, at which hour the cross will be taken to the memorial.

How It Started
John Newton

"WITH ALL MY HEART"
"Indeed I do wish it—with all my heart!" "She prayed with all her heart."
With similar usage, the phrase "with all one's heart" is constantly found in common speech to indicate sincerity, deep interest and enthusiasm, the employment of all one's strength and devotion.

The expression dates from as far back as 1430, when it appeared in the fourteenth of the Paston Letters. These are a collection of the letters of a noted English family which are regarded as the best record of the public and private life of the period they cover, from 1422 to 1509.

Mr. Dummett, at Marlborough Street police court, to a police witness who said that a beggar's violin playing was not music—I would not be 1-8th, if I were you, in saying there was no music in it, having regard to modern music.

MAY CONTEST SAANICH SEAT

Wm. Crouch Informs Council He May Retire From Reeveship

Possibility that Reeve William Crouch may step out of municipal office next year to seek the Saanich seat in the Provincial Legislature was evidenced at Royal Oak last night in a statement which the Reeve read to members of the council following the regular meeting.

The statement reads as follows: "I have had the honor of being reeve and presiding at the meetings of the Saanich Council for the last six years. It is not necessary for me to say that during the past year or two the duties of reeve and councillors have been very heavy and only for the splendid co-operation and backing I have received from every member of the council it would have been impossible for the council to show such a splendid state of affairs which we are able to do. Notwithstanding the troublesome times we have gone through in the past two years we are not by any means through our troubles yet, and while I am quite willing to allow my name to go again before the electors for the reeveship, I will not do so if the present members of the council think that it might be desirable to have a change.

NEED EXPERIENCE. "There are members on the present council who have been on the Saanich Council for quite a number of years and understand the problems and have the experience in municipal affairs which, in my opinion, at a time like this is absolutely necessary for any man seeking the position of reeve to have. "If any member of the present council desires to be a candidate for the office of reeve, and the other members of this council are willing to support him, then I am quite willing to retire and do my utmost towards his election. If not, I shall again be in the field, as I think that with my knowledge and experience gained by seven years on this council I can serve the ratepayers of Saanich much better than an untried and inexperienced man. I shall leave this matter over till Thursday, December 1, for the consideration of the members of the council.

MAY DRAW CRITICISM. "In conclusion, I realize my action in writing this letter will probably be seized upon and severely criticized by a few of my opponents. I, however, consider that I am doing what is absolutely right in consulting with the men with whom I have been associated, and feel sure that the majority of the ratepayers will think no too, as it takes away none of their rights, and it is always up to the ratepayers finally to elect their reeve."

When he had finished the Reeve pointed out that there was no desire on his part to shirk the responsibilities of the chief magistrate's office, but he felt there was need for an experienced man in his stead if he retired. If none of the other members would fill the post he would be only too ready to come out again, he said.

When questioned by a press representative later as to whether or not he had considered higher office, Reeve, who had been in the office for some time, said he had considered seeking the Saanich seat in the Legislature, he said, although he had not definitely made up his mind. He would, of course, wait until some decision had been reached by the councillors before announcing anything regarding plans for provincial office, the reeve stated.

F. J. HAMMETT PASSES

The death occurred on Wednesday, at the Jubilee Hospital, of Francis James Hammett, late of Ralph Street, Saanich. Mr. Hammett, who was forty-two years of age, was born in Devonshire, England. He came to Canada twenty-two years ago and has made his home here since that time. He is survived by his widow and two daughters, Barbara and Edith May, at home, and by his mother, a brother and one sister, in England. The remains repose at Hayward's B.C. Funeral Chapel, where the funeral service will be held on Monday, November 14, at 3:30 p.m., Rev. O. L. Jull officiating.

MRS. PERCIVAL BEREAVED

Yesterday morning Mrs. R. H. Percival, of 1025 Monterey Avenue, received the sad news of the death of her brother, O. S. Coed, at Youngstown, Alberta.

CROP ESTIMATE FIGURE REDUCED

Wheat Harvest Estimated at 431,200,000 Bushels—Total for Oats Lowered Also

OTTAWA, Nov. 10 (CP).—Canada's total wheat crop is now estimated at 431,200,000 bushels less than it was in September by the Dominion Bureau of Statistics. In a report released this afternoon, the total wheat crop for the entire Dominion was placed at 431,200,000 bushels, compared with September estimate of 447,000,000. Most of the decrease is in the Prairie Provinces, where today's estimate was 411,000,000 and the September estimate 446,000,000. Not only are the estimates for wheat down but for other grains as well. In the Prairie Provinces the estimate for oats is now placed at 247,300,000 bushels. In September it was estimated at 274,700,000 bushels.

REDUCTION EXPLAINED

"The obvious explanation for the reduction," the report states, "lies in the impossibility of estimating the effects of drought and other depre-

cation influences on yield until actual threshing operations were in progress."

The heavy marketings up to date may indicate that the correspondents on whose returns the estimate is based, have been unduly pessimistic, the report explains.

The crop report today was eagerly awaited by Western members of the House of Commons. "It may help the price of wheat some," one of them suggested.

FUNERAL RITES HELD

The funeral of the late Frank Philip Whiting, who passed away on November 8, was held yesterday afternoon in the presence of his relatives and a large number of friends. Rev. J. H. A. Warr conducted the impressive service. The remains were laid at rest in Royal Oak Burial Park, with the following acting as pallbearers: J. Bligh, J. Roe, E. Stancombe, P. Fitzsimmons, R. Spencer and G. Mutch.

Keep a Box Always Handy!
Zam-Buk provides an ever-ready and reliable first-aid for injuries. It is also unequalled as a soothing, speedy remedy for obstinate and deep-seated skin disease, poisoned wounds, ulcers, piles, etc.

Within every box of Zam-Buk are stored the most valuable healing, soothing and antiseptic properties known to Science. Its unique herbal composition and its absolute freedom from animal fats and mineral drugs make Zam-Buk the safest and best dressing for skin troubles of all kinds.

Get a box of this great healing balm from your druggist or dealer today, or ask Zam-Buk Co., Toronto, to mail FREE TRIAL SAMPLE.

Nothing Like Zam-Buk FOR THE SKIN

HOPING ELECTION WILL MAKE MARKET FOR FRENCH WINES

PARIS, Nov. 10 (AP).—The beverage committee of the Chamber of Deputies called on the government today to investigate the possibility of marketing French wines and liquors in the near future, in the United States, as a result of the American election.

A resolution expressing pleasure at Tuesday's developments in the United States in so far as they affect prohibition, was adopted by the committee.

FUNERAL TODAY

Funeral services will take place this afternoon at 3 o'clock at the Sands Mortuary Chapel for Mrs. Beatrice Force, who passed away on November 9. Rev. O. J. Jull will officiate, and the remains will be laid at rest in Royal Oak Burial Park.

QUADRA P.-T.A. MEETING

A meeting of the Quadra School Parent-Teacher Association will be held on Monday at 8 p.m. in the auditorium. Teachers of the school will be in charge of the programme.

Dr. Wood's Cold Settled In Chest Caused Racking Cough

Mrs. S. E. Wood, Elmwood, Man., writes: "Some time ago I had a severe cold which settled in my chest causing such a racking cough it seemed to tear me to pieces. I had read about Dr. Wood's Norway Pine Syrup, so I decided to give it a trial. After the first dose I felt relief, and when the bottle was finished my cough was entirely gone." Price 35c a bottle; large family size 65c; at all drug and general stores; put up only by The T. Milburn Co. Ltd., Toronto, Ont.

Norway Pine Syrup

Education Belongs to Mass, Says Professor

Dr. Sedgewick Believes British Columbians Should Make Sacrifices for Advancement of Learning — Suggests Increase in Income Tax Payments

Shorter working hours is not a theory born of depression as a panacea for the existing economic malady, but an obligation forced upon humanity by the advancement of science. As science advances, so will more new machines be introduced and shortening of working hours continue. In order to train mankind to use these leisure hours to their own advancement and happiness, men should be educated beyond the elementary stage as suggested in the Kidd report. This education should be provided for everyone rather than a chosen few. This was one of the several concluding points in an address given by Professor G. C. Sedgewick, head of the department of English of the University of British Columbia, at a meeting of the University Extension Association in Victoria College last night. The subject of his address was "Who Shall Be Educated."

WOULD INCREASE TAX
Toward the close of his address he castigated the Kidd committee for wishing to keep the working classes in mental darkness, and suggested an increase in the income tax as a means of keeping education in the hands of the masses.

Before dealing with the vital issue, Professor Sedgewick prefaced his remarks with a number of assumptions. He said there were two things to be assumed before an answer could be given to the question. One was the character of the state of the world in which people wished to live and the other the sort of society most desired.

In the first he dismissed the Russian system, although he felt Communists were traveling on the right road but in the wrong vehicle. After eliminating several other states under which people might wish to live, he came to the assumption that in so far as the Western world was concerned, it desired no structural change other than a gradual one brought about by the steady progress of science and a continuance of the machine age.

LEAST OF EVILS
In the second condition he dismissed the dictatorship, the autocracy, and conditioned society, and chose democracy as the least of the evils. Democracy he divided into three divisions: guardians or leaders, the same as the guardians, namely, civil servants, scientist, agricultur-

ists, teachers, etc.; and third, the mass of people, or productive persons. From this premise he developed the argument that in order to obtain proper leadership one must find the source that provides the greatest variety of quality and quantity. This source was the mass, and in order to develop leadership one must educate the masses to ascertain their various capabilities.

The speaker predicted a democracy of co-operative effort and equal opportunity, and said that it was a fallacy to believe that everyone was born equal. However, every person should be given an equal opportunity to develop his capabilities. Schools, he stated, should not be confined to preparing children for life, but should be part of life itself. Governing of the masses required specially trained leaders, and since the mass was the reservoir from which these leaders were chosen the mass should be educated. The leaders themselves should never lose sight of the fact, he said, that the mass has the right of choice. Hence if they chose advanced education, then their guardians should see that they get it.

PROMINENT CITIZEN OF MONTREAL DIES
MONTREAL, Nov. 10 (CP).—Montreal lost a distinguished citizen today in the death of James J. Edmund Guerin, M.D., former member of the House of Commons.

Dr. Guerin, who was born in Montreal and prominent in the medical profession for many years. He was seventy-six years of age. His family had settled in Montreal, and he was a member of the Northwest rebellion.

Announcements
Superfluous Hair on the Face is admittedly the most hideous feminine blemish. There is only one scientific method of removing it. It is the only cure which has medical sanction. It is safe and permanent. Moles and warts are treated by electrolysis. The same permanent good effect—they simply disappear. Miss Hanman, 503 Bayview Bldg., Phone G 7642.

Masters' Whole Wheat Health Bread radiates healthfulness. How the children love it. Induce them to their heart's content, for it's all sunny wholesomeness, delicious, nutritious and pure. Masters' health bread is made so carefully in a modern hygienic bakery that it daily justifies the confidence of thousands of Victoria housewives.

Private Christmas and New Year Greeting Cards printed to your order. Perhaps you haven't even thought of Christmas cards yet, but you are going to order some later. Come in and see our sample books. The cards are new and exclusive, with many beautiful designs to choose from. The Colonial Printing Department, 1211 Broad Street, Phone G 5241.

At the Jubilee Flower Shop you will find quality, service and reasonable prices. We carry a complete line of cut flowers, bulbs, shrubs, potted plants, etc. Floral designs of all kinds. Prompt delivery and special attention to phone orders. Phone E 6242, Corner of Fort and Richmond.

Let us print your wedding and social stationery—invitations, announcements, at home and visiting cards, boxed note papers. The latest and most cost effective designs. The Colonial, 1211 Broad Street, Phone G 5241.

MARINE and TRANSPORTATION

Passenger Steamer Classification Is Principal Subject

Transatlantic Conference Meeting in London This Month Concerned With Competition Between Cabin and First-Class Ships

Classification of passenger liners is expected to be one of the principal subjects of the meeting of the Transatlantic Passenger Conference to be held in London on November 24. In view of the objections raised by the Canadian Pacific Line to the plans of the Cunard Line for conversion of the Andania and Andania from cabin to tourist class ships, the Cunard plan contemplates completion of the alterations on these boats in time for the opening of the St. Lawrence trade next year.

Differences of opinion regarding the method of classifying liners have existed for many years and have been revived lately in connection with the entry into the North Atlantic trade of the new cabin liners Manhattan, Champlain and Georgian. Completion of these vessels with accommodations superior to many of the first-class liners and at rates ranging as much as 40 per cent lower has been a source of keen annoyance to owners of the larger and faster ships.

It has been contended in the past that the vessels should be classified on the basis of size, age and speed for purposes of rate making in order to avoid such competition between classes as now exists. It is held by many agents and travelers that the three new cabin liners mentioned are equal in passenger accommodation to at least half a dozen of the first-class ships operating in the North Atlantic service.

MORE VESSELS
The competition is to be accentuated with the entry of the United States liner, the Washington, sister of the Manhattan, in the Spring and it is understood that the United States Lines' management is contemplating the construction of a third vessel of the same type as the result of the success attained by the Manhattan. This would enable the

Docked Early This Morning

Several Hours Late, the Pacific Steamship Lines Ss. Ruth Alexander Arrived Alongside Rithet Pier Shortly After 2 o'Clock This Morning From California Ports. Passengers Left the Ship After 6 o'Clock, and an Hour Later She Proceeded to Seattle.

Monthly Air Mail Service to Rich Fields in North

CALGARY, Nov. 10 (CP).—A monthly air mail service to Great Bear Lake, scene of rich radium and silver finds, will start on December 1 from Edmonton. Canadian Airways Limited planes will carry the mail, each month to the hundred or so residents in the Far Northern mining field, which heretofore received letters only twice a year.

oil at the Chemical Works dock. Completing discharge, the vessel left for Seattle last evening.

It was shortly after 7 o'clock yesterday morning when the Aorangi got away for Honolulu, on the first leg of her voyage to Australia. The Ss. Dorothy Alexander arrived at 7 o'clock from Seattle and sailed for San Francisco at 9 o'clock.

A headline reads: "Rich man pursued by outlaws." It is no news, of course, to have him pursued by in-laws.

APPOINTED TO NEW POSITION

E. Grant McMicken Assistant to President of McCormick Ss. Co.

With the arrival of the Dorothy Alexander here, yesterday morning, from California ports, came the news that E. Grant McMicken had been appointed assistant to the president of the McCormick Steamship Company and the Charles R. McCormick Lumber Company, at San Francisco. Coupled with the information was the rumor that the McCormick interests are contemplating entering the New York-Norfolk passenger line. The company already operates freight vessels to Northwest ports. Mr. McMicken, who recently retired as vice-president in charge of traffic of the United States Lines under the late regime, is known on the coast between Panama and Nome. He has been identified with transportation work since he was fourteen years of age, when he

SEEK WAYS TO SAVE SEASHORE

Oak Bay Council Will Investigate Methods of Holding Waterfront From Damage

The Oak Bay Council is considering ways of preventing the encroachments of the sea along Beach Drive at Shoal of McNeill Bay. The subject was discussed at the meeting of the council last evening, when various methods were mentioned. It was finally decided to have the matter investigated by the engineer with the object of trying to reach some conclusion to prevent the encroachments.

The utilization of heavy water-logged timbers, supplemented by boulders, was one of the methods suggested as a means of holding the sand washed into the bay and check the crumbling of the higher ground on which the street is built.

Councillor A. D. Crease suggested that it might be advisable to have observations taken relative to the damage.

It was pointed out that there is little holding ground there above the rock bottom. At seasons the sand is washed in in considerable quantities, but later the storm takes it again to sea.

The week's fairy story—Once upon a time a man said to his employer: "Sir, I cannot accept this rise. I do not feel that I deserve it."—The end.

SPEEDING UP COAST ROUTE

Victoria-California Service of Pacific Steamship Lines on New Schedule

In order to give the traveling public an improved service between northwest points and California, the Pacific Steamship Lines, Limited, has arranged a new schedule of sailings from Victoria, which will go into effect almost immediately. It was announced by W. M. Allan, local agent, yesterday afternoon.

The new schedule abandons the Sunday morning sailing from this city, which has been a regular institution for the past fifteen years, and involves alternate arrivals and departures of the Ss. Emma Alexander, Ss. Dorothy Alexander and Ss. Ruth Alexander. These boats will sail for the South from Rithet Piers at midnight Saturdays and Wednesdays, and arrive northbound on Mondays and Thursdays, at 10 o'clock.

Under the new arrangement, the ships will only go as far as Los Angeles, each boat taking ten days to make the round trip, instead of two weeks as at present. The Ss. Admiral Watson, now alternating with the Dorothy Alexander on the run, will be withdrawn, and will have been as scheduled next Thursday. She will probably be employed between Wilmington and San Diego. Next Sunday morning's sailing of the Ss. Ruth Alexander from the local dock for San Francisco will be the last sailing of the present schedule.

Vancouver Shipping

VANCOUVER, Nov. 10 (CP).—George Young, a deserter from H.M.S. Colombo, is held at immigration shed as a distressed British seaman and will be shipped home on the Pacific Enterprise, of the Furness (Pacific), Ltd. Line.

Young deserted the naval vessel at Prince Rupert in 1928 and was picked up a short time ago by immigration officers.

British Columbia Shipping Agency, Ltd., will have the Japanese freighter Ss. Ida Maru in port on Monday to complete with lumber and general cargo for South Africa.

An unusually heavy outward movement of seagoing vessels was noted over the past twenty-four hours. Eleven ships sailed for foreign destinations, including United States, Hawaii, United Kingdom ports, Continental ports, Japan, China, Philippines, Fiji, Australasia, Mediterranean and Papete. This fleet, totaling 84,121 gross tons and carried a total of slightly more than 1,200,000 bushels of wheat, in addition to an estimated total general cargo of 15,000 tons.

Witness: "He said, 'You have insulted my mother-in-law, and I will send you for it.'"

The Solicitor: "Truth is always stranger than fiction."

Many Matters Will Need Attention of Fisheries Official

Dr. W. A. Found, on Way West to Discuss Suggestions Offered Pertaining to Fishing Industry, Is Assured of Busy Sessions

For the purpose of meeting the several branches of the fishing industry of British Columbia, Dr. W. A. Found, Deputy Minister of Fisheries, is due on the coast shortly. Following his arrival, Dr. Found will discuss matters of interest with canners and fishermen at Prince Rupert, November 21; at Vancouver, November 25, and at New Westminster, November 26. It is also expected that he will be able to meet the fishermen of Vancouver Island at Nanaimo before he returns East.

During Dr. Found's visit there will also be a meeting of the International Fisheries Commission, which is composed of J. P. Babcock, assistant to the Provincial Commissioner of Fisheries (chairman); Dr. W. A. Found; Henry O'Malley, United States Fisheries, and E. W. Allen, Seattle attorney; the last named, succeeding Miller Freeman, who resigned recently.

Among many matters which will be introduced for consideration at the meetings set for Prince Rupert, Vancouver and New Westminster, are the following more or less affecting Vancouver Island and its fishermen:

ALTER SEASON
That the closed season for taking crabs on the West Coast of Vancouver Island be altered to read from April 15 to June 15, as well as the retention of the regulation prohibiting the killing or injuring of any softshell or egg-bearing crab, and also the present limit of six and one-half inches.

That the closed season for cod fishing be extended to all districts owing to the unsatisfactory condition of the West Coast cod being marketed in Vancouver during the closed season.

That the minimum size of razor clams taken for commercial purposes be raised from one and one-half inches to three and one-half inches.

That halibut fishermen be permitted to procure herring or pilchard by means of their own small gill nets without having to take out a license for which a fee has to be paid. The bait obtained could not be sold or bartered, but would have to be used by the vessel holding the permit to operate for bait.

CAPTAIN RESPONSIBLE
That the captain of a vessel should be made responsible for the qualifications of all those employed on the boat with him.

That the following be added to Section 16—Prohibitions: No one shall fish with nets, nor for any commercial purpose, by any means, in Comox Harbor, nor in the entrance thereof. The closed area to be defined by an imaginary line drawn from a fishery boundary sign near Goose Spit Light, in a southeasterly direction, to a boundary sign near the Trent River at Royton.

That the words "no one shall fish with nets in Saanich Arm," in Section 16, subsection 11 (a), add "or in Finlayson Arm."

That the cut in Japanese fishermen, not licenses thereof, be renewed in 1933, at the ratio of 10 per cent, and that this cut be continued until the Japanese are entirely eliminated from the fishing industry in British Columbia.

That the embargo on export of raw sockeye be permanently lifted to date from July, 1933. It is contended that if Canadian canners can import fresh sockeye from the United States side, as they did in 1932, Canadian fishermen should have the right to sell fish where they can get the highest price.

APPLY SAME TIME

That after September 15 of each year the starting and stopping time for fishing in the Fraser River be the same both below and above the bridge at the week-ends.

It is suggested that there be rigid supervision to the herring fishing on the East Coast of Vancouver Island in reference to Japanese quota; also that fishing licenses of all fishermen in this district be subjected to inspection by the Fisheries Department.

That pilchard fishermen receive Government protection in regard to honest weight for pilchards delivered to reduction plants.

That bounties be paid for sea lions, persons in pursuit of same to be granted permit to use firearms free of charge.

That a seine boat or seine boats be chartered by the Department of Fisheries to catch salmon and distribute same to Indians for food, thereby eliminating the necessity of issuing permits to Indians to fish creeks.

That the age limit for fishermen be dropped from sixteen to fifteen years.

That the use of sunken pots be permitted in the fishing for cod in inland waters.

STILL HANDLES LARGE TRAFFIC

In Spite of Depression, Liverpool Continues to Be Great Port

Despite world economic conditions Liverpool has maintained its position as a world shipping centre. The port has been no total suspension of services to any part of the world.

During the year ended June 30, 1932, vessels of 15,855,000 gross tons arrived at Liverpool from foreign ports, and 14,712 vessels of 4,022,000 tons in the coastwise and cross-Channel trade arrived. As compared with the previous year, the number of vessels entering Liverpool declined by 368, totaling 762,500 tons, this being largely due to a falling off of the coastwise traffic.

Approximately 15,200,000 tons of cargo were handled at Liverpool during the year. Passenger traffic declined sharply, however, the trade depression and restricted immigration into some foreign countries being chiefly responsible.

Pleasure cruises, inaugurated in an effort to minimize losses, have proved so popular that most of the larger steamship companies in Liverpool have now adopted this method of keeping some of their surplus tonnage employed. Losses in volume of traffic at this port caused by the curtailment of services of Liverpool vessels have been partially offset by other vessels calling at the port to discharge cargo.

Guest Tea Attracts Many Patrons With Well-Filled Purses

Collection of \$500 Taken at Y.M.C.A. Ladies' Auxiliary Annual Function—Mayor Leeming Praises Association for Service to Youth

EXCEEDING the rosiest expectations, the annual guest tea of the Ladies' Auxiliary of the Young Men's Christian Association, held yesterday afternoon in the marvellously transformed gymnasium, was a great social and financial success, with about the same attendance as the best of its predecessors, and a collection totaling more than \$500.

Attended by His Honor the Lieutenant-Governor and Mrs. J. W. Fordham Johnson; Premier S. F. Tomin and his daughter, Mrs. Leonard Andrews; Mayor and Mrs. David Leeming, and other distinguished guests, the affair had the support of numerous service clubs and other women's auxiliaries and organizations. Each unit was represented by a table for which the organization was responsible, and the traditional brilliant spectacle was the result, with flowers and candies or tapers carrying out the society's colors and appointed hostesses presiding at the tea and coffee urns.

by rubbing them thin. Try quick safe Chipso instead.

NO WONDER clothes WEAR OUT fast when you SCRUB their life out with YELLOW bar soap.

You'll quickly see A REAL difference in the WAY clothes WEAR when you change to Chipso.

Chipso suds LIFT the dirt out. No hard rubbing. Cottons and linens stay STRONG and NEW. Even silks keep their COLOR and sheen because there's NO FREE LYE in CHIPSO to rot and fade them.

Good Dessert for Children

(Mrs. Mary Morton's Daily Tested Recipes)

PRUNE WHIP.—One cup prune pulp (one-fourth pound dried), one-half cup sugar, two egg whites, juice of one-half lemon, cream of tartar, one-half cup heavy cream, one-half cup apricot jam, one-half cup apricot preserves. Cooked prunes through a sieve. Add sugar, egg white and lemon juice. Beat until stiff. Pile lightly on serving dish. Soft custard sauce is served with the whip. Serves five.

official greetings in a graceful speech in which she intimated to the uninitiated that the gymnasium's present aspect was by no means typical of its appearance when in use by the young men of the association. She expressed appreciation of the attractive arrangement of the tables taken by the various organizations and of the effort made by these organizations to rally their members for the occasion, and thanks were also expressed to the artists who were kindly lending their services for the musical programme.

Mayor Leeming, the principal speaker of the afternoon, opened his talk by warmly commending the women of Victoria for the way in which they stood behind the many benevolent and charitable activities. During the past four weeks he had had the opportunity of seeing something of their efforts by officiating at functions arranged by the Ladies' Auxiliary to the Children's Aid Society, the Aged Ladies' Home, the Jubilee Hospital, auxiliary of the Young Women's Christian Association, Sunshine Inn (where more than a hundred women were giving their services free), the Douglas Women's Workroom, and now for the Y.M.C.A.

"When one thinks of the amount of labor given by the women of the city in helping these and other causes, one realizes what important assistance they are giving in these days of trouble and stress," the speaker commented.

WONDERFUL WORK
The Y.M.C.A. was doing a wonderful work in the city, with a membership of 300 juniors and 350 seniors. Of these juniors, many were unable to pay their dues but for the assistance of the ladies' auxiliary. This was symptomatic. The youth of today was facing conditions unknown to the young manhood of older men. The world today had little to offer in the way of work or promise of youth to their formative years. The Y.M.C.A. was doing something to offset the possibility of these young men becoming disgruntled with society by providing them with wholesome physical, cultural and spiritual activities for their development, and for this reason Victoria, like all other cities, should be deeply grateful to the association for what it was doing.

"We not only have to keep the outside of the platter clean, but the inside also; the body and mind must be kept clean, and this is what the Y.M.C.A. is for," said the speaker.

SUBSCRIBE \$307.50
B. C. Nicholas announced that the table had been a success. The collection was passed around during the tea hour, and later the general secretary, Frank Peterson, announced that the total collection amounted to more than \$500. The latter speaker also expressed deep appreciation of the action of the Y.M.C.A. by its ladies' auxiliary, and to the various other organizations which had helped to make the guest tea a success.

MUSICAL PROGRAMME
Mrs. W. H. Wilson, soprano, and Dudley Wickert, baritone, gave a delightful little programme of vocal numbers, skilfully accompanied at the piano by Miss Ellen Dumbleton. Mrs. Wilson's songs, both sung with characteristic art, were "Russian Nightingale" and "The Spinnet," and Mr. Wickert touched a popular note in his robustly-sung "Galloping Dick" (Percy Fletcher) and "Long Ago in Alcala" (Messinger).

THE TABLES
The reception committee comprised Mrs. R. W. Mayhew, president, Mrs. R. W. Mayhew, Mrs. D. B. Williams and Edwin Tomlin.

The organization tables were as follows:
Guest table, decorated with crimson poinsettias and red and silver scones: Hostesses, Miss Agnes and Mrs. W. Hobart Molson; pouring, Mrs. J. W. Jones, Mrs. R. H. Pooley, Mrs. J. Leeming, Mrs. George Bucklin, Mrs. Hobart Molson and Miss Sara Spencer.

P.E.O. Sisterhood table, decorated in gold, white and bronze, and out with chrysanthemums and candles: Mrs. S. Okell, Mrs. M. R. Pearce, Mrs. C. H. Hemmoff and Mrs. H. Smith.

Women's Canadian Club table, decorated with chrysanthemums and candles in shades of yellow and deep bronze: Mrs. W. G. Wilson, Mrs. Alfred Carmichael, Mrs. D. B. McConnan and Mrs. G. D. Christie.

Rotary Club table, decorated with blue candles and gold chrysanthemums: Mrs. George McGregor, Mrs. J. P. Watson, Mrs. W. P. Pinfold, Mrs. Charles French and Mrs. Tanner.

Metropolitan and First United Church table, decorated in gold and bronze: Mrs. A. McKeown, Mrs. Walter Tuck, Mrs. E. Harper, Mrs. E. W. Whittington, Mrs. A. S. Christie, Mrs. D. McKillop, Mrs. M. J. McLennan, Mrs. S. J. Drake.

Kiwanis Club table, gold and blue: Mrs. Ellis Brown, Mrs. William Loney, Mrs. Victor King, Mrs. Hugh Leigh and Mrs. Arthur Denney.

Junior Chamber of Commerce table, pink and green: Mrs. E. J. Browning, Mrs. F. E. George, Mrs. F. H. Partridge and Mrs. M. F. Hunter, the guests being received by Mrs. George Beck.

Gyros Club table, mauve and gold: Mrs. Charles B. Moss (hostess), Mrs. H. Butterfield, Mrs. T. Bowden, Mrs. A. Webster and Mrs. L. Woodhouse.

Y.M.C.A. Auxiliary table: Mrs. A. S. Locke and Mrs. L. A. Gane. Mrs. A. J. Watson's table, Mrs. J. W. Gibson.

Sails Disguised as a Boy

SENORITA Helena Araujo, daughter of the former president of the republic of San Salvador, sailed from London disguised as a boy, to seek adventure. She was found at Lisbon, Portugal, and returned to London.

Social and Personal Notes

Cup and Saucer Shower
Miss Hazel Clyde entertained Wednesday evening at her home on Empress Avenue, at a delightful cup and saucer shower given in honor of Miss Grace Middleton, whose marriage to Mr. Wilfred Rodger is taking place this month. The many pretty cups and saucers were concealed in a box attractively decorated with mauve and gold crepe paper. Games and contests were played during the evening, prizes being won by Mrs. T. W. Allan and Mrs. H. F. Bishop. Later, supper was served from a table prettily decorated with mauve streamers and centered with a bowl of mauve chrysanthemums, lighted by tall tapers. The guests included: Mrs. E. Middleton, Mrs. F. Bishop, Mrs. C. Bishop, Mrs. F. Middleton, Mrs. E. McLean, Mrs. W. Davey, Mrs. Clarence Bishop, Mrs. A. Middleton, Mrs. Smith, Mrs. G. Bishop, Mrs. N. Coles, Mrs. A. Coles, Miss Grace Middleton, Miss Verna Middleton and Miss Claire Allen.

En Route to France
Mr. Robert P. J. Dooty, of Cowichan Bay, spent a short time in the city bidding farewell to his friends prior to leaving for Vancouver, where he boarded the S. S. California, en route to Nice, France, via the Panama Canal, to visit his father, Dr. Casazet Dooty.

Arrives for Week-End
Miss Sheila Tait, who is attending the University of British Columbia, has arrived in the city and will spend the week-end with her parents, Mr. and Mrs. D. S. Tait, Roslyn Road.

Attended Recital
Miss Violet Powkes has returned from Seattle, where she attended the recital of Vincente Escudero and his ensemble of Spanish Gypsy dancers.

Entertain at Bridge
Mr. and Mrs. John Riddell, Jr., entertained a number of their friends at bridge last evening, at their home on Cambridge Street. Four tables were in play.

Here From Seattle
Miss Jean Moody, of Seattle, is spending the holiday week-end with her parents, Mr. and Mrs. S. P. Moody, at Brentwood.

Returns From Hospital
Fredda McTavish will be pleased to learn that she has returned to her home after being a patient in the Jubilee Hospital.

Back From Vancouver
Mrs. T. W. Allan, who has been spending the past several months in Vancouver, has returned to her home on Greenwood Avenue.

Back From Prince Rupert
Mrs. D. D. McIntosh has returned from several weeks' visit with her son in Prince Rupert.

Weddings
GALLIAZO-ENGLISH
Miss M. (Peggy) English and Mr. S. Galliazo were married at Union Bay on November 4. Miss M. Forbes and Mrs. Floyd Higgins were witnesses.

BIRTHDAY CELEBRATION
NANAIMO, Nov. 10.—Mr. William Baker, an old-time resident of Wellington, received congratulations from his many friends in Nanaimo and district on the occasion of his eightieth birthday. Mr. Baker was born in England in 1852 and moved to Vancouver Island sixty-two years ago and has been a resident of Wellington ever since.

Kitty McKay
By NINA WILCOX PUTNAM

I was so DEPRESSED. All my sweaters FADED and SHRANK. Aunt Lou put her FINGER on the CAUSE, "YOUR soap's too STRONG, dear."

So I CHANGED to Chipso. It's GUARANTEED to have NO FREE LYE, and my SWEATERS look LOVELY, now.

I said to myself, "Why not use CHIPSO for cottons too? The box is so BIG and costs so LITTLE." Well, it's a TREAT to see how FAST CHIPSO SOAKS out dirt. NO HARD RUBBING even on heavy cottons. And ALL my clothes are WEARING MUCH LONGER.

The girl child says there should be some great football talent among the people who are good at dodging responsibilities.

Bank Dance At Empress Delightful

The staff of the Canadian Bank of Commerce held a most delightful dance last evening in the grill of the Empress Hotel, under the co-operation of Miss Beale Richards and Mr. Philip Townsend. Mr. L. Abbott assisted with the collection of tickets. Supper was served buffet style, and dancing continued until 1 o'clock.

Among the guests were Mr. and Mrs. M. D. Hamilton, Mr. and Mrs. P. B. Fowler, Mr. and Mrs. W. T. Cook, Mr. and Mrs. J. M. Crockett, Mr. and Mrs. W. G. Hamilton, Mr. and Mrs. J. C. Newmark, Mr. and Mrs. W. L. Thacker, Mr. and Mrs. A. C. Baker, Mr. and Mrs. R. P. Thompson, Mr. and Mrs. E. Wainwright, Mr. and Mrs. H. Henderson, Mr. and Mrs. J. Walford, Mr. and Mrs. H. Beach, Mr. and Mrs. Gordon Evans, Mr. and Mrs. S. V. Wright, Mr. and Mrs. G. R. Barker, Mr. and Mrs. J. L. Thacker, Mr. and Mrs. A. J. Sommer, Mr. and Mrs. G. Peel, Mr. and Mrs. L. E. Wildes, Dr. and Mrs. Powles, Mr. and Mrs. John, Mr. and Mrs. Little, Mr. and Mrs. Barnes, Mr. and Mrs. H. Wilson, Mr. and Mrs. E. G. Bailey, Mr. and Mrs. A. C. Humber, Mr. and Mrs. H. T. Winsby, Mrs. Gliven, Mrs. Fletcher, Mr. and Mrs. K. W. Brown, Mrs. M. Brown.

Misses E. Osborne, Smith, Helen Stewart, G. Hill, K. Forbes, H. Ferguson, M. Osborne-Smith, B. Martin, B. Richards, E. Weeks, A. MacIntosh, K. Williamson, Savannah, MacDonald, D. Tremayne, J. Aldridge, M. McKenna, P. Jennings, W. Warburton, A. Jennings, A. Proctor, W. H. Smith, Eva Moore, E. Greene, M. Butcher, M. G. Ward, Thomas, G. Addison, L. Bird, G. Morris, Ford, E. Brown, Mercer, Code, D. Lamey, M. E. Goward, Mearns, M. McFadden.

Will Tell About Women in Russia
First-hand information about "Women's Place in Russia" is seldom available although often the subject of speculation. So members of the Women's Canadian Club will probably be interested in the address to be given before the society next Tuesday afternoon by Miss Mildred Osterhout, of Vancouver, who recently returned to the province after a year spent in Europe, during which she visited several Russian cities with a group of London School of Economics students.

Miss Osterhout has brought back something more than a mere tourist's observations, for she visited the marriage and divorce halls and took special trouble to find out about the conditions affecting children as well as women. She found obvious propaganda in favor of temperance and moral relations in the posters which covered the walls of these halls in Leningrad, Moscow, Kharkov and Dnepropetrovsk. The legal age of marriage in Russia, she learned, varies in different parts of the country, and divorce, while common, she found to be particularly among the very young and childless.

While in England, Miss Osterhout attended the opportunity to visit some of the child clinics, among them Kingsley Hall, East London.

I.O.D.E. Activities
Dr. O. M. Jones Chapter
The monthly meeting of the Dr. O. M. Jones Chapter was held at Municipal headquarters, Union Building, on Tuesday, with Mrs. William Ellis, the regent, in the chair. A vote of sympathy was passed to Mr. C. P. Hill and Miss J. Terry in their respective bereavements. The supply of milk has been commenced and approximately 1,900 half pints were being distributed per month in the various schools in the city, together with a daily supply to five families. Plans were made to hold a rummage sale on December 3 and a bridge tea at Spencer's on November 26 to raise money for Christmas hampers, etc. Several books have arrived and will be presented to the Stewart endowment fund in the order, and will be represented at the Armistice service on Sunday at the Cathedral. The next meeting of the chapter will place at the home of Mrs. Ellis, Bearcroft Apartments, Oak Bay.

Navy League Chapter
The monthly meeting of the Navy League Chapter, I.O.D.E., was held on Tuesday, when a silent tribute was paid to the memory of the late Mrs. C. P. Hill. Plans were made for a bridge and mah jong party to be held at Spencer's tearoom on Monday, November 21, at 2:30 p.m. Mrs. J. L. Ford, G. arden 1775, and Mrs. C. B. Peterson, E. mpire 1669, are the conveners and will reserve tables. The sum of \$10 was voted towards Christmas hampers. A vote of thanks was passed to Mrs. T. A. Johnston, who convened the rummage sale. The chapter will place a poppy wreath on the War Memorial today. Members are asked to be at the memorial service at 10:30 o'clock, and at the service at Christ Church Cathedral on Sunday at 2:45 o'clock.

Harvey-Boggs Chapter
A successful bridge tea was held on Thursday afternoon by the

Mr. Turnbull and Mr. C. Grant, of Cumberland, were visitors here during the week.

Mr. and Mrs. J. Meredith entertained on Tuesday evening with three tables of bridge. Those present were Mr. and Mrs. H. Pidcock, Mr. and Mrs. F. McCarthy, Mr. and Mrs. H. Nelson, Mrs. E. F. Painter, Miss E. Thulin, Miss L. Thulin, Mr. T. Hudson and Mr. R. Pidcock. The prize winners were Miss E. Thulin, Miss L. Thulin, Mr. H. Nelson and Mr. T. Hudson.

Mrs. A. McNeil is visiting her daughter, Mrs. Charles McDonald, of Cumberland.

Mr. and Mrs. S. Grant have returned from their vacation.

Mr. W. Milne, of Sayward, was a visitor here this week.

Messrs. R. Rushion and James Rushion, of Courtenay, were visitors here during the week.

Mrs. H. Smith, of Oyster River, is the guest of Mrs. H. Pidcock.

The friends of Miss Evelyn Wick-

"Yes, I was extravagant"

Now I've learned to make clothes wear longer with Chipso

I WASTED plenty of my good MONEY before I learned this: Clothes WEAR OUT in the WASHTUB if you RUB them thin—or EAT out their strength with COARSE yellow soap.

Now I'm using Chipso. No hard rubbing. No FREE LYE to ROT fabrics. Even my SILK underwear and nice SWEATERS go into Chipso suds. CHIPSO keeps everything PRETTY and NEW.

YOU'LL like CHIPSO for DISHES too. It keeps your HANDS SO SMOOTH.

strom will be pleased to hear that she is progressing nicely after her operation.

Mrs. Fanny Smith has returned from Vancouver.

Miss Ethel Thulin, of Lund, is the guest of Mr. and Mrs. O. Thulin.

The dance given by the Athletic Club was a huge success. A large crowd attended and everyone had an enjoyable time.

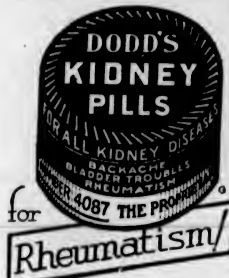

International Dinner Held by Women's Club

Victoria Business and Professional Women Hear
Interesting Speech by Mr. B. C. Nicholas—Simi-
lar Gatherings on Eve of Remembrance Day

Flags of all nations and Flanders poppies were used in decoration of the dining-room of the Y.W.C.A. last evening, when the Victoria Business and Professional Women's Club held its international banquet, similar functions being held throughout the Dominion last night. It was regretted that delegates from the United States had been unable to attend the dinner, and Mrs. G. A. Bucklin, wife of the United States Consul, and Mrs. G. Bjornsfelt, wife of the Swedish Consul, were warmly welcomed by the president, Miss Margaret Clay, and the club members.

Miss Clay gave a short address on the aims of the federation, which had been organized to realize the slogan of "a better business world," and to unite more closely together in thought the women of all nations. Twenty-two countries are included in the federation, Miss Clay said.

MESSAGES READ
Messages of good will were read from Lena Madison Phillips, international president; from the Business and Professional Women's

BRINS HOLD CHAMPION MAPLE LEAFS TO DRAW

Arsenal Eleven to Meet Newcastle in O.C. Soccer Feature

English League Leaders to Play at New Stadium—Aston Villa Will Oppose Everton—Rangers and Aberdeen Have Easy Assignments

LONDON, Nov. 10 (CP).—Leaders of the English League First Division, Arsenal, opened their new stadium Saturday when Newcastle United attempted to topple them from their lofty perch.

To insure retention of their lead the Gunners must fend off the Newcastle threat at Aston Villa, trailing the leaders by only one point, are favored to add Everton to their list of victims.

Arsenal's new stadium is an imposing double-decked stadium with accommodation for more than 20,000 people. There is standing room for 17,000 people in the tier deck and the upper stands seat almost 4,000. Coleman, Arsenal's centre forward who has been injured a fortnight, will be on hand for the opening, displacing Lambert.

Several other high-ranking teams will face spirited opposition in week-end tussles. The third place Derby County aggregation meet Bolton Wanderers and must be at top form to win. Of the three teams tied for fourth position, Leeds United are favored to advance. They meet the comparatively weak Leicester City outfit, while West Bromwich Albion face Chelsea, and Huddersfield clash with Birmingham.

SLOW RECOVERY
Gallacher, Chelsea's famous goalie who has been on the injured list for some weeks, was examined today by Sir Crisp English, famous surgeon, who diagnosed his trouble as a badly bruised thigh muscle. Sir Crisp stated recovery from the injury was slow because Gallacher had unusually large thighs for so small a man. The other Chelsea infields, Barber and Russell, have resumed training.

Four points in the lead, Stoke City cannot lose their top-ranking position in the Second Division when

they meet Southampton, who have won only five games to the leaders' ten.

Several close matches are expected, however, when well matched teams clash in other Second Division games. Bury and Manchester are expected to put up a closely contested game and winners are also hard to call in the Fulham-Oldham Athletic and Tottenham-Lincoln County clashes.

Brentford are expected to continue their undefeated march through the Third Division Southern Section. They meet Oxford, who should not give them serious trouble.

SCOTTISH LEAGUE
GLASGOW, Nov. 10 (CP).—Tied for Scottish League First Division leadership, Rangers and Aberdeen are expected to maintain their knotted positions Saturday when both leaders have fairly easy games.

Rangers, who pulled themselves up on even terms with Aberdeen by defeating Clyde 5-0 last Saturday while Aberdeen were losing to Kilmarnock, are not expecting much trouble in downing Morton.

Aberdeen have a little harder team to face in Falkirk but should come through on the long end of the score.

Hearts, in second place, travel to Queen's Park, and Celtic, in third, entertain East Stirlingshire. Both are given better than even chances for victory. Kilmarnock, who over-turned Aberdeen, play at Hamilton's grounds.

In the Second Division the leading Hibernians should have little trouble disposing of Armdale, but both Rangers and Queen of the South, tied for second place, have heavier opposition on their hands. Rangers will play St. Bernard's, and Queens at Dumbarton.

DOUBLE MAIN EVENT ON MAT CARD TONIGHT

Nano Singh to Face Sparks and Brentana to Meet Gardiner at Stadium

Two highly-rated middleweights and two heavyweights with fine records will make their initial bow before local wrestling fans this evening on Promoter "Winnipeg" (Chilton's weekly wrestling card at the Pacific Stadium. The local matchmaker has signed four clever matmen for a double main event over the six-round route each. Nana Singh, former trainer of "Tiger" Daula, will show against Al Sparks, Salt Lake City heavy; while "Bull" Brentana, Chicago middleweight, will clash with Joe Gardiner, San Francisco. Local lads will appear in the preliminary, which will start at 8:45 o'clock.

Singh has tackled some of the best in the Northwest, including Bob Kruse, the rough Portland, about a year ago, while Sparks boasts of victories over some highly-rated heavies. The Hindu was here when Daula wrestled last Spring, to face in Falkirk but should come through on the long end of the score.

Brentana is a finished matman. He proved this by gaining a draw with the clever Jack McLaughlin, Vancouver, a few weeks ago. His opponent, Gardiner, has shown in practically all the other Northwest cities and is coming to Victoria with a good record. This bout is expected to be fast and full of action.

BOBBY JONES TO APPEAR IN NEW PICTURE

Atlanta Star Said to Have Given Up Idea to Regain Amateur Standing

LONDON, Ont., Nov. 10.—Sandy Somerville has not been approached as to the only amateur of a four-sport team featuring Bobby Jones' return to the golfing war in sketch entitled "championship of the world."

The New York Telegram told a story of Bobby's succumbing to the temptation of money, but no such idea he had of retaining his amateur status and entering the tournament proposed for August, 1933, at the Royal and Ancient Golf Club, St. Andrews.

He would be playing, the story said, Gene Sarazen, present holder of the United States and British States P.G.A. champion, and Ross Somerville, the Canadian who won the American amateur championship at Baltimore early in September.

LENGTHY FILM
The motion picture firm with which Jones is under contract is said to be promoting the match, which will be filmed at the throughout—the first time in history that a seventy-two-hole match has ever been recorded.

The story goes on to say that the principals are quite questioned, but it is considered quite unlikely that golf circles for Somerville, a wealthy amateur, would endanger his status by lending his name to the enterprise.

That was the way Somerville felt about it too. "I might get permission to compete but it would place me in an awkward position," said the United States champion.

UPLANDS WOMEN TO PLAY MEDAL ROUND TOMORROW

The postponed monthly medal round will take place at the Uplands Golf Club tomorrow. The draw follows:

Mrs. E. Jackson and Mrs. R. A. Temple.
Mrs. A. M. Boyd and Miss E. M. Mills.
Mrs. R. L. Pocock and Miss M. Wolfert.
Mrs. E. F. Nickson and Mrs. J. A. Cameron.
Mrs. B. Combe and Mrs. C. E. Morris.
Mrs. D. A. Macdonald and Miss D. M. Locke.
Post entries will be accepted.

Wanderers Name Rugby Teams for Games Tomorrow

With several players still absent through injuries, the Wanderers will field the following teams for their matches on Saturday. The "A" team faces the Navy at the Royal Athletic Park, the "B" fifteen tackles the Garrison at Work Point Barracks, while the intermediate play the Scottish at Oak Bay Park. All games start at 3 p.m.

Touring Tennis Stars Gain Even Break in Opener

SYDNEY, Australia, Nov. 10 (AP).—The touring United States tennis team of Ellsworth Vines, Jr., Wilmer Allison, John Van Ryn and Keith Goddard today opened a three-day series against New South Wales by splitting the first four matches.

Vines, American and Wimbledon champion, defeated the sixteen-year-old player, Vivian Macrahn, 6-8, 6-3, 6-4, and Keith Goddard won from Ray Dunlop, 6-3, 6-1.

Jim Willard defeated Van Ryn, 2-6, 6-2, 9-5, then Jack Crawford and Dunlop paired to win from Allison and Van Ryn in doubles, 7-6, 6-4, 6-4, 4-6, 6-1.

BELIEVE IT OR NOT

By Ripley

The WAR STOPPED IN A SHELL HOLE!
6 MILES, 200 FEET WEST OF MONTMÉDY
AND 5 MILES, 1970 FEET EAST OF BEAUMONT.

EXPLANATION FOR YESTERDAY'S RIPLEY CARTOON

The Battle of the Armistice—The Armistice was signed at 5 a.m. on the morning of November 11, 1918, but the actual cessation of hostilities was ordered for 11 a.m. During the intervening six hours the troops in the front line were kept in ignorance of the armistice, and warfare continued to the fatal stroke of eleven, swelling the total casualties by several thousand. The Germans claim to have lost an additional 1,000 men in that futile battle after the Armistice. No layman could ever rid himself of the conviction that here at least the interests of humanity would have been better served if the cessation of hostilities would have taken immediate effect, instead of being deferred for another calamitous six-hour stretch.

The Most Trivial Cause of a War—Charles Gustaf (X) of Sweden had no sooner ascended the Throne of Sweden, 1654, than he decided to declare war on Poland. The declaration of war which nearly destroyed Poland, and on which the King himself was predicated upon the trivial fact that in a communication addressed by the Polish Chancellor to the young Swedish King, the former had employed only two "etc." after the enumeration of the King's titles, instead of three "etc.," which Charles the War lasted for six years, and cost the lives of at least 500,000 men.

FOOTBALL STAR KILLED IN GAME

Matthew Skube Dies From Injuries In Seattle—Was Well Known In Victoria

American football claimed another victim Monday afternoon, when Matthew Victor Skube, quarter-back and well known in this city, died as the result of injuries in a high school fixture.

Skube had many friends in Victoria and news of his death was a severe shock, as he spent considerable time here during his yearly vacations.

Every Summer for several years past Skube spent his holidays here with his grandmother, Mrs. E. Hartree, 2887 Austin Street, and his aunts. Attending physicians said his death was due to cerebral injury, probably suffered when the youth's head came in contact with the runner's knee on a lunging tackle. Skube was dazed while making a dangerous tackle on the kick-off in the second quarter of the game.

PASSES QUICKLY
He was revived but was ordered to the side back by his coach, Stephen Brink. He took a shower and dressed, apparently none the worse for his injuries. Suddenly he complained of being ill and was rushed to the Swedish Hospital in an ambulance from the field, but he died en route.

His mother strongly objected to her son playing football and was in constant fear of him every game he turned out. This was his fourth year at high school and his first at the American coast. He was a star at basketball, played on the cinder path, Victor was popular with his schoolmates and only last week he was named Honor Society gold medal winner.

MIAMI RACE MEET TO START JAN. 19

MIAMI, Fla., Nov. 9 (AP).—A programme of stakes and purses totaling more than \$300,000, for the Winter meeting at Hialeah Park, memory 19 to March 11, was announced today at the Miami Jockey Club.

ESQUIMALT LINE-UP

Esquimalt will line up as follows: De Costa, Joe Watt, Sweeney, John Watt, R. Stewart, March, McAllister, A. Stewart, Popin, Wagland and Edwards. Reserve, Richard.

Seaman Watson Takes British Feather Title

LIVERPOOL, England, Nov. 10 (CP).—Seaman Watson, of Newcastle, won the featherweight boxing championship of the United Kingdom tonight, outpointing Ned Tarleton, Liverpool, the title, in fifteen rounds.

SCOTTISH LINE-UP

Scottish Intermediates will line up as follows for their match against Wanderers at Oak Bay Park tomorrow: Hartley, Anderson, Anderson, Marshall, Scotty, Stewart (captain), Dunn, Beck, Turner, Eastman, Howell, J. Forbes, Adam, and Butler. Reserve, Sugden. Players are asked to be at the Armistice at 2:15 o'clock.

NANAIMO BOWLING

NANAIMO, Nov. 9.—On the local bowling alley last evening, in the Mixed League, Royals took three straight from Woolworth's. Courtney, for the Royals, was high score with 266 and T. Dixon high average with 223.

TEAMS BATTLE TO 1-1 TIE; RANGERS WHIP MAROONS 4-2

Toronto Leafs and Bruins Fail to Settle Issue After Overtime—Rangers Show Good Form in Tackling Opening Game From Montreal Club—Detroit Red Wings Down Hawks, 3-1

TORONTO, Nov. 10 (CP).—Toronto Maple Leafs and Boston Bruins were held to a 1-1 tie by the Boston Bruins as the National Hockey League season opened here tonight. A goal each was the reward of seventy minutes of typical early season hockey. Although speedy in spots, the game was never brilliant.

King Clancy, the champs' defence star, scored the Toronto goal in the first period from a scramble before "Tiny" Thompson, "Ace" Bailey and Harold Cotton were on the play and were given assists.

Boston's goal came in the second period in much the same manner. "Red" Beattie, out most of last year with a broken leg, signaled his return to the ward by notching Bruins' first goal of the season. Eddie Shore and Oliver were in on the play.

Summary
First period—1, Toronto, Clancy (Aurrie), 12:00. Penalties: Goldworthy, Thompson, Couture, Abel, Goodfellow (2), Bostrum, Ripley, Hanson.

Second period—2, Detroit, Carson (Emma, Aurrie), 9:45. Penalties: Jenkins, Aurrie, Lewis, Goodfellow. Third period—3, Chicago, Gotsling (Thompson), 28:45; 4, Detroit, Wustman, 19:48. Penalties: Emma, Couture, Abel, Goldworthy.

Line-ups:
Chicago—Goal, Gardiner; defence, Graham and Abel; centre, Gotsling; wing, Thompson, Couture, Ripley. Detroit—Goal, Roach; defence, Evans and Young; centre, Marker; wing, Borrell, Goldworthy.

Chicago Subs—Ripley, March, Romnes, Cook, Jenkins, Macfadyen, Holmes, Bostrum.

Detroit Subs—Emma, Carson, Aurrie, Lewis, Goodfellow, Hanson, Wiseman, Buswell, Riley.

Officials—Cooper Smeaton and Art Duncan.

TWO BOXERS SUSPENDED

Men Fighting Under Fictitious Names Drew Ire of Seattle Commission

SEATTLE, Nov. 10 (AP).—Two San Francisco boxers and their manager were indefinitely suspended by the Seattle Athletic Commission today after an investigation showed that the two boxers, who were fighting under fictitious names on a card here in which four San Francisco men appeared and none lasted their whole bouts.

Men who boxed under the names of "Bad News Johnson" and "Jack Carlson," the commission said, were really Ben Garver and Lennie Goldsmith. "Johnson" was knocked out in the third round by Henry Woods, Yakima lightweight.

In addition, Delph Thomas, San Francisco manager, was indefinitely suspended for sending the boxers here.

George W. (Biddy) Bishop, of the Austin & Bishop Club, was fined \$50 for making the matches, and J. P. Austin, of the club, will hereafter be recognized as the matchmaker, the commission said.

It was also decided that all California boxers must be here at least three days before a show and have their licenses with them.

Wrestlers Will Give Exhibition At Otter Point

On Saturday afternoon the Y.M.C.A. Wrestling Club will journey to Otter Point, where they will bring a combined wrestling and boxing show for the benefit of the "Y" at 3 o'clock and return the same evening.

Four wrestling bouts and two boxing matches will make up the "Y's" contribution to the programme, while Kathleen Cooper and J. P. Austin, who will mix in the boxing bout, will give a demonstration, while members of the group will put on a tumbling act.

The wrestling will bring together Frank Waring and Vic Stevens in the opener. Harold Loney and George Farner will mix in the second bout. Ken Roskelly meets Jack Riley, while Pete Tyson and Jimmy Yates will grapple in the last event. Each bout will go three fifteen-minute rounds. Arnold Dawkins and Charlie Sharpe will do the boxing.

FRANKIE BOUCHER ILL WITH INFLUENZA

MONTREAL, Nov. 10 (CP).—New York Rangers opened the National Hockey League season here tonight when Frankie Boucher, star centre. The veteran who came to terms with the management only a few days ago, was left at Lake Placid, training camp of the Rangers, with a light attack of influenza. He is unlikely to be ready for action for several days.

SCOTTISH LINE-UP

Scottish Intermediates will line up as follows for their match against Wanderers at Oak Bay Park tomorrow: Hartley, Anderson, Anderson, Marshall, Scotty, Stewart (captain), Dunn, Beck, Turner, Eastman, Howell, J. Forbes, Adam, and Butler. Reserve, Sugden. Players are asked to be at the Armistice at 2:15 o'clock.

NANAIMO BOWLING

NANAIMO, Nov. 9.—On the local bowling alley last evening, in the Mixed League, Royals took three straight from Woolworth's. Courtney, for the Royals, was high score with 266 and T. Dixon high average with 223.

RED WINGS STOP HAWKS

DETROIT, Nov. 10 (AP).—Detroit's revamped and renamed Red Wings downed Chicago Black Hawks, 3 to 1, tonight in the opening game here of the National Hockey League season, before 8,000 spectators.

Although the Detroit squad was bolstered by the addition of most of the Chicago Shamrocks, last year of the American League, it was the veteran of the Red Wing outfit who gave the Detroit team the lead it never lost. Frank Carson, grey-haired big man, scored twice, in the first and second periods.

Eddie Wiseman, of last year's Shamrocks, accounted for the third goal, breaking away in the final seconds of the game to score, unassisted, while most of the Hawk team was in Detroit ice.

Johnny Gotsling, Hawk centre, got the Chicago goal late in the game, as the Hawks put on a final burst with a five-man offence. He broke through a five-man defence.

SEAMAN WATSON TAKES BRITISH FEATHER TITLE

LIVERPOOL, England, Nov. 10 (CP).—Seaman Watson, of Newcastle, won the featherweight boxing championship of the United Kingdom tonight, outpointing Ned Tarleton, Liverpool, the title, in fifteen rounds.

ESQUIMALT LINE-UP

Esquimalt will line up as follows: De Costa, Joe Watt, Sweeney, John Watt, R. Stewart, March, McAllister, A. Stewart, Popin, Wagland and Edwards. Reserve, Richard.

Seaman Watson Takes British Feather Title

LIVERPOOL, England, Nov. 10 (CP).—Seaman Watson, of Newcastle, won the featherweight boxing championship of the United Kingdom tonight, outpointing Ned Tarleton, Liverpool, the title, in fifteen rounds.

CITY XI TO FACE WESTS TEAM TODAY

Squads to Battle in Coast League Soccer Match at Heywood Grounds

With a chance to creep up a notch closer to the second-place Esquimalt eleven, Victoria City will field a strong squad with hopes of registering a win over Victoria West, cellar occupants, in a regular scheduled fixture in the First Division of the Pacific Coast Football League this afternoon at Heywood Avenue at 3 o'clock. Davies will referee. As this is the only Coast League game carded a large following of fans is expected.

Ever since the curtain went up on the schedule, the City and Wests have found the going tough. A win for the City will put them right on the heels of Esquimalt, while a verdict against them will put them in the cellar and the greenhorns in third position at a key point.

In their last time out, the City dropped a one-sided match to the Thistles, while the Wests went down before Esquimalt after a hard-fought match, 3 to 2.

Victoria City will be at full strength with Gordie Chalmers in goal and Wes Harper and Dobbyn at fullback. Storey, Gibbons and Smith will form the half-line, while McMillan, Holmes, Dornington, McRay and Glancy will start on the forward line. Harwood, Anderson and Purse are on the reserve list.

George Hunter, formerly of the Jets, has been appointed manager of the club and hopes to start his new task with a victory. Manager Doc Poyntz will have a strong eleven in uniform and is confident that his team will take the City and jump out of the cellar for the first time this season.

Victoria West—Marley, Moody, Wright, Lorrain, Peers, Stewart, Connon, Youson, Bordo, Mulcahy and Gibbons. Reserves, Cock and Okell.

Peggy Hodgson and Mrs. MacIntosh Win At Macaulay Course

Miss Peggy Hodgson captured the monthly medal honors in "A" Class at the Macaulay Point Golf Club on Wednesday by finishing with an eighteen-hole card of 90-18-72, while Mrs. MacIntosh won the "B" Class laurels with a score of 108-30-78.

ICE HOCKEY GAME FINISHES IN DRAW

LONDON, Nov. 10 (CP).—England and Germany played a draw in the first of an international ice hockey match at Streatham Arena.

The game was the third of an international series in which each team previously had won one match. On goals, however, Germany was up in the series.

GUS SONNEBERG WINS

TORONTO, Nov. 10.—In the main bout of a wrestling card here last night, Gus Sonenberg, Boston, defeated "Gentleman" Jack Washington, from California, two falls to one.

In the semi-final "Tiger" Joe Malawics, of Ulita, defeated Howard Cantonwine, Oregon, after thirty minutes of grueling metwork.

Cambridge Rugby Team Wins From Dublin, 10 to 3

LONDON, Nov. 10 (CP).—L. Cambridge University defeated Dublin University, 10-3, in a Rugby match today, while Gloucester won from Oxford University Greyhounds, 21-0.

Cambridge Rugby Team Wins From Dublin, 10 to 3

LONDON, Nov. 10 (CP).—L. Cambridge University defeated Dublin University, 10-3, in a Rugby match today, while Gloucester won from Oxford University Greyhounds, 21-0.

BIG CROWD EXPECTED AT ARMY RUGBY MATCH TODAY

Scottish Fifteen And Gunners Ready For Opening Match

Last Year's Senior Champions and 5th Regiment Strong for Barnard Cup Fixture at Royal Athletic Park—Lieutenant-Governor Fordham Johnson and Mayor Leeming to Attend

Trained to perfection and eagerly awaiting the sound of Referee Acland's whistle, which will send them into battle, Canadian Scottish, last year's city senior league champions, and 5th Regiment will open the schedule of the Victoria Rugby League this afternoon at the Royal Athletic Park at 2:30 o'clock in the second annual Remembrance Day classic between the two strong army teams. Followers of the English code have been waiting for several weeks for the opening and are expected to turn out in full force at the local enclosure.

On the eve of the crucial battle between the two teams, the Scottish and 5th, respectively, were confident that their colors would come through with victory, and both report that their fifteens will march on the field in the pink of condition and at full strength. Lieutenant-Governor J. W. Fordham Johnson has donated a handsome trophy to go to the winning team, while Mayor David Leeming will send the squads into battle with kicking of the ball. The winning aggregation will take the ball after the match as a souvenir. Special sections in the middle of the grandstand will be reserved for the Lieutenant-Governor and his party and Mayor Leeming and his party.

BANDS TO ATTEND
Preparations for the match have been under way for some time. The reserved sections will be marked by flags, while both units will be out with their routing sections. The Scottish will occupy the grandstand, while the 5th will be in the bleachers opposite the main stand. Both will be more than a hundred strong and plenty of cheering will result. Bands from Scottish and 5th will be present and will render regional music before and after the interval. The bands will play the teams onto the field.

Many new faces will appear in the line-ups of the respective sides from last season. Bill Oliver will be at fullback for the Scottish, with Jack Bryden, former fullback, at seven-eighths position and Ralph Hocking, Colgate, Bill Brooman and Chuck Copeland on the three-quarter line. Hocking, Brooman and Copeland performed in the intermediate league and their playing will be watched closely in factor company. Larry Henderson will be at stand-off half and Harry Robson will be at scrum half. Teddy May, Campbell, Forbes, Bruce Forbes, Johnny Rockingham, Ray Grant, Roy Lund and Rowlands will make up the Scottish reserve list.

MEINETS AT FULLBACK
Roddy McInnes, brilliant all-round fullback, whose kicking was the feature of last year's McKechnie Cup fixtures, will be back at his old position for the 5th Regiment. Chuck Haddon, Mac Billingsley, Freddy Pease and Frank Killings will form the three-quarter line. Haddon and Billingsley are newcomers and will be playing for the first time in senior rugby. Pease played with the Wanderers last season and appeared in several "rep" games as a member of the Victoria fifteen. Alex Gaunt, younger brother of Roy, who graduated from local ranks and who is now playing professional in Eng-

LOAN LISTS MAY BE CLOSED EARLY

Less Than \$5,000,000 of Dominion Twenty-Year Issue Remains to Be Subscribed

MONTREAL, Nov. 10 (CP).—With but \$5,000,000 remaining to be sold and today's result not available until tomorrow, it was believed here tonight that completion of the \$22,000,000 Dominion of Canada \$20,000,000 loan was not far off.

Total subscriptions up to the close of Wednesday's business totaled \$17,500,000, of which \$25,000,000 represented three-year bonds yielding 4.28 per cent and the remainder twenty-year bonds yielding 4 1/2 per cent.

Official closing date set by the Government in the official prospectus was Wednesday, November 16, but at the rate at which applications have been received the subscription lists will close prior to that date.

ENDEAVOR TO MAKE DESIRED END REALITY

Continued from Page 1

These further principles laid down on behalf of the Government of Great Britain:

1. That the limitation of Germany's armaments by special provisions in the Treaty of Versailles should be interpreted, any limitation of Germany's armaments should be expressed in a document that would at the same time limit the armaments of other nations.

2. The duration of such a disarmament convention should be the same for Germany as for other countries.

3. The British Government was willing, in co-operation with other members of the Disarmament Conference, to accept the principle of equality in the prohibited classes of armaments (chemical warfare, etc.), was embodied in the new document.

COMENDABLE SPIRIT

The French disarmament plan was inspired by a spirit to reach agreements with Germany which we cannot but commend," Sir John said. "We take these engagements seriously, we never give our signature unless we mean it," he declared, adding he believed he spoke for the British Government.

A MOVING APPEAL

Sir Austen Chamberlain, former Foreign Secretary, who negotiated the famous treaties of Locarno, followed Sir John's declarations with a moving appeal to the Germans to accept the principle of a peace treaty based on the acceptance of the occupation of the Rhineland and the declarations of Sir John Simon.

"All that friends of Germany ask of her is that she will in her daily life and her daily relations with neighboring nations observe in spirit as well as in fact the principles which she has undertaken to respect the treaty basis of Europe until it was changed," declared Sir Austen.

"I want to see how pockets will have to be picked this season," Gazzettino Illustrato, Venice.

How "Harlem" Tommy Murphy Became a Great Fighter Before Entering Ring

Bred in Brooklyn in Neighborhood So Tough That Every Day Was a Series of Battles—Discovered in Street Fight

By JACK DEMMEY
I was sitting in a Broadway restaurant the other night with a couple of sports writers. We were talking of men who had stood out because of their fighting in the ring. We were generally agreed that as a rule the greatest men were the least skillful, and that the perfect fighter was one who was a good boxer, but who also had a world of ring courage. Benny Leonard in his prime was such a one; Max Baer was a combination of both; Harry Greb was like that.

"And don't forget Harlem Tommy Murphy," one of the writers said. "He was before my time," I admitted, glancing at the grey hairs which adorned the head of my pal, but I suppose you remember him well."

Tommy Murphy was a great fighter," he said, "and when I say 'great fighter' I say it without any qualifications. I saw him box Bobby Flynn in the clubhouse of the old Guttenberg racetrack, and saw him in most of his subsequent fights with men like Hughie McGovern (Terry's brother), Abe Attell and the rest.

Harlem Tommy Murphy was not strictly speaking from Harlem. He was from Greenpoint, which is in Brooklyn. Greenpoint was one tough place in those days, and a kid had to engage in at least three fights if his mother sent him to the corner alone.

NATURAL ABILITY

"Little Tommy wasn't a bit bashful about handling his fists, and one day he was giving a systematic lesson to a lad some forty pounds heavier than himself. It happened that a man who lived in Harlem was walking along the same street and stopped to watch the kid fight. He saw plenty. Even then Tommy had a world of natural ability, and how he could take it."

"The stranger went up to Tommy and said, 'Kid, you can make money, fighting like that. Go up into anything.'"

Mutual Admiration

Caesar and Champagne, French Nags in Boston Horse Show, Form Mutual Admiration Society.

British Sport Shots

By WILLIS ENTWISTLE

There are only two teams in first class football in the British Isles which have so far escaped defeat, one in the first division and the other in the third. Aston Villa is the first division aggregation to dodge the booby up to the time of writing. That Brentford is the club in the third division. With a ground in a London suburb, Brentford has never previously been more than an average club. Probably both clubs will be glad when they get beaten, because trying to preserve an unbeaten record is almost like a nightmare at times, and means that every match is like a cup-tie, with the opposition just straining every nerve to be the first to upset the apple cart.

Football critics are wondering how long it will be before the first division of the English League is revamped, and the two Scottish League clubs, Rangers and Celtic, are included in a first-class group of clubs. It is a recognized fact that Scotland is a little sick of the matter, and are not paying their way, and are being carried by the gates of the top-notch clubs.

The French plan called for nothing from the League of Nations and the League of Nations, one in Manchester, or even two, in Sheffield, one in Newcastle, and another two in Scotland. That would be a humdinger, and would attract gates of thirty or forty thousand every Saturday. Some of the big boys in the game are getting a thousand or so of feeling matches all the time.

Radio broadcasting looked as if it might put a crimp in football attendances in its infancy, but officials soon got wise. They saw a team playing to empty benches and across the road a radio-owner, having rented a hall, was receiving a football cup broadcast and relaying it through loudspeakers, and the final charge to each listener. Soon after that football broadcasts from first-class grounds were banned, and only the cup final finds its way out to the public. That doesn't alter the game, because the ground is sold out months before.

Tom Thorne, of Millwall, has been a figure in Old Land football for more than forty years. He is a fine fellow and knows from Land's End to John O'Groats. Here's his autobiography:

Officially connected with league football for a period of forty-two years, every day of my life has been in the service of Millwall F.C. Joined the club in 1890, became a

director in 1901, elected chairman in 1915. Besides his connection with Millwall, Mr. Thorne is chairman of the Southern League, member of the F.A. Council and international selection committee, member of the London Football Association and a founder of the London Combination. Discovered the "Den," where Millwall play, in 1909. The site was a labyrinth of railway lines, but Mr. Thorne persuaded his colleagues to cross the river and settle at New Cross. Been abroad with English international teams. Born in Devon, at Yarncombe. Mr. Thorne is in business as a builder and contractor, and is a fellow of the Institute of Builders. Hobbies: Angling, bowls and gardening.

CHARTER TO BE AMENDED

Vancouver Council in Favor of Appointment of Police Commission

VANCOUVER, Nov. 10.—Amendment of the city charter will be asked by civic authorities at the next session of the Legislature to permit appointment of a police commission consisting of the Mayor, a police magistrate and a County Court judge.

This was decided by the City Council today after a debate in which Mayor Louis D. Taylor expressed his opposition to the plan, but the council voted 10 to 5 in favor of the amendment.

In approving the new scheme of appointing a police commission, generally known as the Ontario system, aldermen rejected a proposal advanced by Ald. Walter DePinto that the commission be elected at present the board consists of the mayor and four citizens appointed annually by the council.

The battle between the mayor and Alderman De Graves arose after Mr. Ward had left his door to speak from the floor, in favor of the Ontario system.

APPLY FOR FIAT FOR PROSECUTION

Will Proceed Against Society for Sale of Tickets for Sunday Concert

VANCOUVER, Nov. 10.—Members of the police commission at their meeting this afternoon instructed Chief C. E. Edgett to apply to Attorney-General R. H. Coombs for a fiat to prosecute the Vancouver Symphony Society for alleged sale of tickets on Sunday at its recent concert.

Resolutions of approval of the proposal to prosecute the society were received from the General Municipal Association and the Vancouver Presbytery of the United Church.

Chief Edgett declared that he questioned if prosecution would be in the public interest. He had asked for instructions at an earlier meeting of the commission after reporting on the alleged sale.

The commission also instructed the chief to place evidence concerning alleged Sunday sale of tickets at the Chinese Theatre before the city prosecutor and, if desirable, to seek a fiat in that connection as well.

Montagu Norman Directors' Choice

LONDON, Nov. 10 (AP).—The Bank of England announced tonight that directors have decided to recommend Montagu Norman to bank proprietors, next April, for re-election as deputy governor.

It announced Sir Ernest Macgregor Henry would be recommended for re-election as deputy governor.

WINS CHEMISTRY PRIZE

STOCKHOLM, Sweden, Nov. 10 (AP).—Dr. D. Irving Langmuir was awarded the Nobel Prize for chemistry today.

Dr. D. Irving Langmuir is the associate director of the laboratories of General Electric at Schenectady, N.Y. He was born in Brooklyn, N.Y., in 1881.

"I'm very sorry to say that I've nothing better than beef and beer, gentlemen," said a country innkeeper to some hungry tourists. "That will do, landlord," replied one of them. "The trivial road, the common cask, will furnish all we need to ask!"

"No matter how anxious about the future I may be," said Senator Borah, "I keep a smiling face and give a gentle answer." "Growing indifferent?" "No. I'm trying to be one of those happy worryers you read about."

Seek Resumption Of Bus Service To Mount Newton

Residents of Mount Newton district last night interviewed the Saanich Council in an effort to have bus service resumed to Mount Newton, which was stopped yesterday as the result of the new schedule put into effect by the Vancouver Island Coach Lines.

H. L. Salmon spoke on behalf of the delegation and told of the inconvenience to residents which the discontinuance had caused. He had interviewed the management on the matter, he said, and had learned that early morning passengers could be picked up but the company would not undertake to return them on the evening trip, which terminated at Moodyville.

Mr. Salmon, Councilor L. C. Hagan and Reeve Crouch were appointed a committee to consult the management of the company on this matter.

STUDY CLASSES ARE CONCLUDED

Religious Training School Sessions at Memorial Hall End With Large Attendance

"I have no faith in my own generation making over this new world," stated Rev. Dr. W. G. Wilson, in his address to the young people of the various churches who gathered last evening in the Memorial Hall for the closing ceremonies of the religious training school which has been conducted the last two weeks by the Religious Education Council.

"Men and women are blind and stupid," Dr. Wilson continued, "who think they can make over a new world with old methods. The only way to lay hands upon the future is through the children, and the task is upon the young men and women assembled here."

The speaker stressed the fact that the present condition of world affairs offered a glorious challenge to the young people of today, and expressed his sincere regret that he would not be able to play a part in the coming fray.

BOWLING

ARCADIE SENIOR FIFTEEN LEAGUE

British Wellesley W. Mitchell, 600; E. Nelson, 574. Total, 2,174.

STUDY CLASSES ARE CONCLUDED

Religious Training School Sessions at Memorial Hall End With Large Attendance

"I have no faith in my own generation making over this new world," stated Rev. Dr. W. G. Wilson, in his address to the young people of the various churches who gathered last evening in the Memorial Hall for the closing ceremonies of the religious training school which has been conducted the last two weeks by the Religious Education Council.

"Men and women are blind and stupid," Dr. Wilson continued, "who think they can make over a new world with old methods. The only way to lay hands upon the future is through the children, and the task is upon the young men and women assembled here."

The speaker stressed the fact that the present condition of world affairs offered a glorious challenge to the young people of today, and expressed his sincere regret that he would not be able to play a part in the coming fray.

WORK OF FACULTY

Rev. M. B. Richardson, of Emmanuel Baptist Church, moved a vote of thanks to the faculty for its self-sacrificing efforts in making the school a success, which was seconded by J. Simpson. The Bishop of Cariboo responded for the faculty.

The registrar's report, given by Miss Crowe, showed a total registration of 276 pupils, an increase of seventy-six since last year and a listing of delegates from thirty-four different churches.

Leonard Nichols, Miss Humphreys, Miss Patterson and Miss Olive Heritage gave each a short address, thanking the teaching staff for its many kindnesses and expressing their appreciation of the work accomplished.

BIBLE PRESENTED

Frederick Parfitt, from the Emmanuel Baptist Church, presented Rev. E. R. McLean, founder of the Religious Education Council, with a beautiful leather-bound Bible as a token of the esteem in which he was held by the pupils of his class. Rev. G. E. Munro, in the absence of Rev. Bruce Gray, acted as chairman and introduced the different speakers.

In praising the work of Mr. Gray, Mr. Simpson described him as the "energetic dynamo of the movement."

Mrs. McIntosh contributed a vocal solo to the evening program and was accompanied at the piano by Miss Jean Menzies, who was convener of the reception committee. At the conclusion of the program, Miss Jean Menzies presented Miss Nancy Williams with a large bouquet of chrysanthemums.

FOUND INSANE ON HIS THIRD TRIAL

Vernon J. Acquila Former Police Chief, David Murdoch, Accused of Murder

VANCOUVER, Nov. 10 (CP).—David Murdoch, chief of police at Kelowna, at the conclusion late tonight of his third trial on a charge of murdering Jean Nolan, was found not guilty because of insanity by an Assize Court jury after five hours' deliberation. Two juries previously, one at the Spring Assizes and the other here this week, failed to agree on a verdict.

Another charge, that of shooting to death Constable Archie McDonald, of the Kelowna force, failed to agree on a verdict. It was not until the third trial that the jury reached a verdict.

Jean Nolan, police operative in Kelowna, was shot and killed, allegedly by Murdoch, late in the afternoon of January 19 last. Later that day he is alleged to have shot McDonald at the latter's home.

ESCAPE IN STOLEN CAR AFTER ROBBERY

VANCOUVER, Nov. 10.—Two young gunmen this afternoon held up and robbed a Chinese of \$10 in the lane south of the 1400 block, West Fifteenth Avenue, escaping in a car, stolen from the Imperial Tobacco Company's premises on Beatty Street.

LONDON, Nov. 10 (CP).—Second reading was given in the House of Lords this evening to the Government's bill ratifying the agreement of the Imperial Conference. The bill was 139 to 34.

Security Prices Recover Quickly At Wall Street

NEW YORK, Nov. 10 (AP).—Today's security markets were quite the reverse of yesterday's. Stocks, bonds, wheat and cotton joined a recovery movement which in most instances more than erased the Wednesday losses.

Stocks, closing 1 to 5 points higher, made the best gains, on the average, since September 21. If pivotal issues were weakest on Wednesday, they were strongest today. Ralls, perhaps stood out, but group strength also appeared in motors, steels, chemicals and utilities. General Motors, Crown Cork, National Distillers and U.S. Industrial Alcohol rallied 1 to 3 points, responding to speculative buying on the familiar theory that a possible change in the prohibition law would help their businesses. Santa Fe, Union Pacific and New York Central, up about each, gave tone to the carriers, while American Telephone, swinging up more than 4 points; Allied Chemical, up 5 1/2, and Case American Tobacco "B" United Aircraft, Consolidated Gas, American Can and the two U.S. Steels gaining 3 to 4, provided further measures of the recovery. General Motors and Chrysler each rallied 2. Sales rose to 1,558,010 shares.

Traders working on the long side received some encouragement from the rise of 11,950 tons in U.S. steel's October backlog figures. A show of buoyancy in some of the semi-speculative loan groups gave the bond market a more cheerful appearance. The day's sales totaled \$6,816,000, par value.

American and Foreign Power 5 1/2, International Telephone up from 1 1/2 to 3 7/8 points. Postal Telegraph 5 1/2 gained 3 points and Portland Cement 4 1/2 advanced 2 1/4. Recoveries of a point or more were recorded by bonds of American Smelting, Dodge Bros., Goodrich, Chole Corp., Pressed Steel Car and Sinclair Co. Remington Arms 6 1/2 lost 5 points.

In the foreign section gains of more than a point were registered by Canadian Government issues.

WHEAT VALUES DROP SLIGHTLY

Early Advances Wiped Out Before Close at Winnipeg Market

WINNIPEG, Nov. 10 (CP).—Despite the loss of early advances, wheat prices managed to hold near their previous closing prices on the Winnipeg Grain Exchange today. Final quotations showed all contracts from 1-8c lower to 1-4c higher with November at 46 1/8; December at 46 1/4; May, 50 3/8; and July at 51 5/8.

Active early buying, coupled with a strong Chicago market, did much to buoy values when liquidation began forcing quotations down from their high points. Buying of Canadian May contract was reported from southern interests.

Broomhall confirmed a fairly active business in Canadian wheat in England, but foreign sales were estimated at only 400,000 bushels. Liverpool prices were down 1-8 per 100 pounds, but Buenos Aires held firm.

Russia has contributed 936,000 bushels of wheat this week to the export trade, compared with 1,536,000 a week ago and 2,400,000 for the corresponding week a year ago.

Deliveries of wheat from Prairie farms yesterday amounted to 1,767,000 bushels as compared with 2,438,000 bushels for the corresponding week a year ago.

Trade interest in cash and coarse grains was indifferent.

Interlisted Stocks Lead Price Upturn At Eastern Markets

MONTREAL, Nov. 10 (CP).—A brisk afternoon rally brought Montreal Stock Exchange prices up about a point today, enabling a majority of issues to erase morning losses and close fractionally higher. Total sales were 7,661 shares.

Interlisted and power issues were the principal group share in the advance. International Nickel closed at 10 for a net gain of 3-8. Brazilian moved up 1-4 to 9 3/4, while Canadian Pacific at 10 3/4 and Canadian Car at 5 1/2 were each 5-8 higher. Half-point advances were scored by Montreal Power, Power Corporation and B.C. Power.

Strength manifested in distillery issues immediately preceding and following the United States elections fended today and the Standard Mining. Distillers-Seagram was also off 1-8, while "B" shares receded from the year's high at 2 1/4 to 2, off 1-4.

Bank of Montreal picked up two points on sale of thirty-six shares, made at 150. Quebec Power lost a point at 13.

TORONTO STOCK EXCHANGE

TORONTO, Nov. 10 (CP).—The Toronto Stock Exchange fell in the afternoon, after a half-point gain in the morning. The index closed at 127.4, down from 127.9 at the opening.

C.P.R. advanced to 16 3/8, a gain of 3-8, and Nickel closed at 10, up a half-point. Ford "A" was up a quarter-point, Brazilian 3-8 and Consolidated Smelters 2 1/4 points. Distillery and brewery stocks were quiet. Canadian Industrial Alcohol fell back to 3 for a loss of 1-8, and Gold was also off 1-8.

Shortly before the close Walkers strengthened to 7 3/8. Its net gain was 1-8. In the oil, B.C. gained 1-8 and Imperial and International Petroleum a quarter-point each.

Bank shares were firm, with Imperial and Royal showing a two-point advance each and Commerce down two points, selling ex dividend.

B.C. Power "A" registered a gain of 1-4 to 21.

TORONTO MINING MARKET

TORONTO, Nov. 10 (CP).—Accumulation was apparent in gold stocks today as well as in the two leading base metal shares, Nickel and Noranda, on the Standard Mining Exchange. The list closed with strength predominating.

Only two gold stocks, Dome and McIntyre, got into higher ground. Dome closed at 13 1/2 for a gain of 3/8, and McIntyre at 20 5/8, up 1/8. Teck-Hughes was down four to 3.30 and Wright-Hargreaves up three at 2.88.

Among cheaper golds, Sylvanite gained two points, Sisco lost one and Moss gained one. Closing at 10.00, Nickel was up 45 for the day and Noranda at 30 5/8 was up 30. Falconbridge gained three, Sheritt-Gordon three and Hudson Bay 35, while Ventures was down three to 71.

After a quiet session Eldorado picked up two points to 127. Lake Maron gained two and a half points. Peninsular Petroleum was down two and a half points to 11.

PLAYHOUSE
Tully Marshall, who is seen in the role of the irascible old uncle in Tiffany Productions' mystery feature, "Strangers of the Evening," on the screen at the Playhouse Theatre, was born in Nevada City, California. In 1916 he decided to cast his lot with motion pictures, and has since established himself as one of the best known character actors of the screen in prominent roles in such well known pictures as "Intolerance," "The Covered Wagon," "Merry Widow," "He Who Gets Slapped," "Oliver Twist," and "The Big Trail."

WILL OFFER NONSTOP VARIETY AGAIN TODAY

Today the nonstop variety entertainment at the Crystal Garden Theatre starts at 2 p.m. until 11 p.m. It was regretted that the theatre was not available for use on Wednesday and Thursday owing to a previous rental arrangement. The programme will be the same as heretofore today and Saturday. On Monday a new programme will be presented with several new artists, and those retained from this week's performance will give new turns.

UNUSUAL SETTING IS USED IN PRODUCTION

What is believed to be one of the most unusual settings ever designed for the screen was constructed at the Metro-Goldwyn-Mayer Studios for an important sequence of "Smilin' Through," in which Norma Shearer, Frank March and Leslie Howard will be featured at the Dominion Theatre on Saturday.

The scene is that of a feudal chamber in a castle which for fifty years had not known the tread of human feet. Everywhere is ruin, dust, decay and mildew. Spiders have woven their tanglements over every object. Paintings, statuary, massive carved furniture carry a thick webbing above their coatings of dust. Upholstery is faded and mildewed with the ravages of time.

TRAFALGAR PICTURES SHOWING AT CAPITOL

A feature of local interest appears in the programme offered by the Capitol Theatre on Friday and Saturday. The Fox newreed includes the Trafalgar Day celebrations held at the foot of the Cenotaph by the Provincial Parliament Buildings, Victoria, on October 21. This ceremony was attended by His Honor the Lieutenant-Governor and party, His Worship the Mayor, and representatives of the Royal Canadian Navy. A naval detachment, officiated in the salute, as did members of the Victoria Sea Cadets.

SYMPHONY TO PLAY FAMOUS SELECTION

When the Seattle Symphony Orchestra, under the baton of Basil Cameron, plays the symphony from the "New World" at the Royal next Wednesday, November 16, the citizens of Victoria will hear for the first time a work that is at once popular, masterful and held in the salutes, as did members of the Victoria Sea Cadets.

It was written by the composer when he was very homesick for his native land, and he put into it all the longing, and paths of not only his own troubles but those of the millions of races in whom he had become deeply interested during his stay in the United States.

The other works to be played on the evening programme include the "Overture," by Weber, the "Ballet Music" from Rosamunde by Schubert, and the Tone Poem, "The Preludes," by Liszt.

No Law to Break; No Fines to Pay The Poor Deputy

SEATTLE, Nov. 10.—Because of the repeal of the State bond law, Sheriff Claude G. Bannick, King County, Seattle, today deputy sheriff from his dry squad.

All of the discharged men, the sheriff said, had been paid from the fund built up from State liquor law violation fines.

Piles Go Quick

No Salves—No Cutting

Thousands who have itching, bleeding or protruding piles have not yet learned that quick and lasting relief can only be accomplished with an internal medicine. Neither salves nor suppositories remove the cause.

Bad circulation of the blood in the lower bowel causes piles. The hemorrhoidal veins are flabby, the bowel weak—the parts almost dead. To get rid of piles an internal medicine must be used to stimulate the circulation, drive out the thick impure blood, and restore the affected parts.

Dr. J. S. Leonard, after years of study, found a real internal Pile remedy. He called his discovery HEM-ROID, and prescribed it for 1,000 patients, with success in over 900 cases, and then decided every pile sufferer, no matter how stubborn their case, might try his prescription with a money-back guarantee.

HEM-ROID tablets have such a wonderful record of success in this city that MacFarlane and Vancouver Drug Stores, and all good drug stores, invite you to try HEM-ROID, and guarantee money refunded if it does not end your Pile misery.

Burgess Bedtime Stories

A Born Beggar
By THORNTON W. BURGESS

The lazy rat beg than work. And useful labor try to shirk. —Old Mother Nature.

The young Cowbird in the nest of Chippy the Chipping Sparrow was peevish. He was very much peevish. He had what he had wanted the nest to himself, but he wasn't getting more than his share of the food, and this wasn't at all to his liking, for he is naturally greedy. He was born that way. Left to himself he probably would have had that nest to himself anyway, for he would have crowded or kicked the baby Chippies out before they could fly. He had kicked one out. It was then that Farmer Brown's Boy had interfered. He had lined a small berry basket with soft grass, put the fallen Chippy in it and then taken the two others from the nest and put these in the basket—nest also. The basket he had fastened securely to the branch two feet from the nest.

Chippy and Mrs. Chippy were nearer to being happy than at any time since the eggs had hatched. Now they could freely feed their own children with no danger of having the food snatched from their mouths by the greedy young Cowbird. So the little Chippies, getting their full share of food, grew rapidly. Chippy and Mrs. Chippy fed the young Cowbird, as they felt in duty bound to do, but only after their own babies were satisfied, despite the fact that he clamored lustily every time they appeared with food. He could see the others being fed and worked himself into a great rage, but that was all he could do.

So it came about that by the time he was able to leave the nest and get over to the other nest the young Chippies were ready to try their wings and the young imposter was no better off than before. All he could do was to follow the others as they followed their parents. Whenever food was brought to one of the young Chippies the greedy young Cowbird would rush to seize it, but usually was too late. He was duly fed in turn, but got no more than his share.

The young Chippies were soon hunting food for themselves, but not so the young Cowbird. Long after he was able to care for himself he followed his little foster mother about crying incessantly for food. He was now twice as big as Mrs. Chippy.

"Did you ever see anything so disgusting and ridiculous in all your life?" demanded Mrs. Robin of Mrs. Bluebird as they watched Mrs. Chippy feeding the big hulking fellow.

"I never did," declared Mrs. Bluebird. "I don't know what Mrs. Chippy is thinking of to allow him to impose on her so. I spoke to her about it the other day, and she said that as long as he was so helpless she felt it her duty to feed him. He is no more helpless than I am. He is simply lazy. As long as she will feed him he won't take the trouble

ANNUAL CLASSES

R. N. E. Harris announced that the annual C.L.U. classes would commence next Monday at 8 p.m. in the offices of the Metropolitan Life in the Union Building, in preparation for the examinations. There would be about sixteen meetings altogether, he said, in expressing the wish that all members would make a special effort to attend.

J. R. Nicolson, newly-appointed manager of the Great-West Life Assurance Company in Victoria, was introduced to the members.
